

All About Strange Man
He Cures and Kills
\$200,000,000 Too Much
Aiming at Ford

Man is a strange animal. David Bernstein, Brooklyn tailor, deliberately killed a man against whom he held no grudge, pushing him off an elevated railroad platform in Brooklyn. No one saw him. He confessed to the police.

Insane, probably.

The lawmaking machinery of New York decided to kill Frank Piaia in the electric chair. Acute appendicitis threatened the electric chair program.

A good surgeon, hired at public expense, restored Piaia to the death house. 'Out of kindness' he is allowed to play cards with his partner in crime, Michael Sciafoni, a wall separating them.

Strange uses of science, killing men by electricity, saving their lives by surgery that the electricity may kill them, treating them kindly while waiting for the chair.

A cat does no worse with its mouse.

Earth's 1,800,000,000 people are not quite civilized yet.

Further details concerning the massacre of 3000 Mohammedans by Chinese in Kansu province show that the human race has still some distance to travel.

Of late Mohammedans had been murdering Chinese. Then came famine, most desperate, among the Mohammedans, who were invited by Chinese officials to come to Taichow for a conference, with promises of roasted barley.

When they came, men from fifteen to fifty were separated from the women, taken outside the walls and 3000 of them butchered like sheep. When they saw that they were to be killed the Mohammedans asked no mercy.

After the famine the Mohammedans will doubtless murder ten or twenty Chinese for each Mohammedan killed in the massacre.

So it goes among human beings most cruel and blood-thirsty of all animals.

The senate approves, 46 to 31, the amendments to the tariff bill forbidding 'Americans with factories abroad to send foreign-made articles into this country under an American trademark.' Formerly goods manufactured abroad and entered with an American trademark could be brought in with the consent of the trademark owner.

The idea is said to be aimed at Henry Ford's tractor factory in Ireland, according to Senator Reed, and that is 'a movement to transfer American-owned factories abroad to lower labor costs.'

Henry Ford may easily manufacture his tractors in America. He did that before, until he needed the Dearborn tractor factory for his new car.

For the information of the tractor industry, it may be mentioned that Henry Ford before long will produce a new kind of tractor, made here in America.

Senator Borah says that President Hoover 'must go through to the end and assume responsibility for the tariff.' That new view of the President's duty interests Mr. Hoover and the people.

The old idea was that congress should write the laws, the President approve or veto them, the Supreme court interpret them.

Mr. Mussolini would agree with Senator Borah's suggestion.

French scientists at La Rochelle say the sunfish is, intellectually, the most stupid of all animals. Its eye is five inches in diameter, its brain measures only two-thirds of an inch in diameter. And the fish weighs 662 pounds.

A full brother of that sunfish is the American pacifist, who believes that this country can make itself safe and help the cause of peace by remaining unarmed.

Ask the fat sunfish what happens when a thin, hungry shark comes along. This country is a very fat goldfish.

Uncle Sam collected from his nephews this year \$200,000,000 more than he needs. President Hoover and Secretary Mellon are said to agree that income taxes can safely be cut.

It is said that collecting the income tax is costing the government \$500,000,000 a year, which seems a great deal. It should be possible to find a better system.

Human beings are gradually approaching an escape from this small earth, to which we once thought ourselves tied 'until death do us part.'

As serious scientists were discussing flying twenty-five years ago, scientists in Germany are now discussing trips to the moon by rocket.

It is necessary to start with power enough to escape the earth's gravita-

MRS. EUGENE WADE DIES
FROM GUNSHOT WOUNDS

MOTHER IS SLAIN AND FATHER
CHARGED WITH MURDER
IN KILLING MONDAY

Mrs. Eugene Wade, 40, mother of five children, died at about 3:40 o'clock Monday afternoon September 30, 1929 from a gunshot wound in the right thigh inflicted at the home of her brother in Cameron shortly after two o'clock. She was removed to the Cameron hospital in an ambulance shortly after the shooting but the wound was of such a nature that surgeons could not save her life.

Eugene Wade, husband of the dead mother, was taken to the hospital shortly after the shooting in an ambulance with his throat slashed with a razor, said to have been self-inflicted. Surgeons were able to save his life and it was said this morning that unless complications ensue he will survive.

According to District Attorney Jack Lewis, charges of murder have been filed against Wade and Sheriff Blaylock has assigned two deputies to guard Wade who is now in the hospital recovering from his wound.

An inquest was held by Justice J. M. Ralston over the body of Mrs. Wade in the funeral home of Coleman and Epley Monday afternoon.

According to information obtained through officers, Dorris Wade, daughter was an eye witness to the tragedy and that Wade who is an engineer at the American Round Bale Cotton Gin owned by R. L. Batte in Cameron, went to the home of Alwood Devers, brother of Mrs. Wade where the shooting occurred. It is said that one shot was fired, the bullet taking effect in the right thigh. Loss of blood caused her death. She is said to have run from the home, falling to the ground twice on her way to a nearby home. Wade is said to have slashed his throat with a razor and was found in the home lying on the floor and removed to the hospital where surgeons began a battle to save his life. No investigation has been made to determine as yet the cause of the trouble, but murder charges have been filed against Wade.

As soon as he recovers sufficiently he will be removed to the county jail according to the office of the sheriff. Funeral services for Mrs. Wade were held at the First Christian church on Tuesday afternoon with interment in the Salem cemetery.

PARENT-TEACHERS IN
CAMERON FOR MEETING

TO CONDUCT SALE OF CHRISTMAS SEALS IN MILAM COUNTY THIS YEAR

The September quarterly meeting of the County Council took advantage of the Annual Teachers' Institute, Friday, September 27, and participated in the Institute program from two to three o'clock on that day.

At three o'clock the Council's business session was held. Mrs. E. P. Survant, President, presiding. The resignation of Mrs. J. H. Thomas as treasurer was accepted with regret. Mrs. Thomas has moved from this county. Mr. Monroe Walker of Friendship was elected to fill the unexpired term as treasurer of the County Council. An appropriation necessary for traveling expenses of the president and secretary, as delegates to the State Meeting of Parent Teachers Associations, at Waco, November 18 to 21 was voted at this time.

Another interesting action on the part of the Council was the motion that the Council's Health Committee, Mrs. Albert Hettig, chairman, conduct the sale of Christmas Seals in Milam County this year. This will mean, in case the proceeds amount to \$500, that 60 per cent will be retained for our own county's health work. The motion was unanimously carried.

The invitation extended by Hoyt's representative was accepted, and the January meeting of the County Council will be held in the Hoyt community.

Among those people from out of town attending the funeral of J. H. Arledge Friday afternoon were a brother, C. L. Arledge of Taylor and his daughter, and three sisters, Mrs. M. A. Brymer of Taylor and Mrs. Bal-
lew and Mrs. Rogers of Georgetown.

tion and then arrange for a safe landing, taking sufficient air for a short stay on our satellite without atmosphere, plus arrangements for a return trip.

(Copyright, 1929, by King Features Syndicate, Inc.)

J. H. Arledge, Age 69
Buried Walker's Creek

J. H. Arledge, aged 69 years, died at his home near Hoyte on September 26. The body of the pioneer was brought to Cameron and taken to the home of his nephew, H. R. Dobbins where it remained until Friday afternoon at four o'clock when funeral services were held.

The services were conducted by Rev. E. S. Hutcherson of the First Baptist church with interment in the Walker's Creek Cemetery. He is survived by his widow and one sister, Mrs. E. J. Dobbins who resides in Cameron with her niece, Mrs. C. Collier.

COMMERCIAL CLUB IN
ELECTION OF OFFICERS

F. E. JACKSON IS NAMED PRESIDENT AND DIRECTORS ARE ELECTED ON MONDAY

The annual meeting of the Cameron Commercial Club was held Monday night with election of officers and directors for the ensuing term. The following officers and directors were named:

F. E. Jackson, president; J. D. Dobbins, vice president; John C. Young, second vice president; W. O. Newton, treasurer. Directors W. E. Gaither, J. C. Tucker, George T. Graves, Wm. Cobb, T. S. Henderson, Jr., Giles L. Avriett, Ben Reichert, F. S. Lesovsky, Dr. James Watson, F. J. Beckerman, E. S. Hutcherson and W. R. Hoover.

The meeting was not only the occasion for the election of officers and directors but also the annual banquet. The meeting was held in the basement of the First Methodist church.

S. C. Hogg, power sales engineer for the Texas Power and Light Company delivered the principal address of the evening. T. S. Henderson spoke on the subject of good roads.

Tom H. Tuttle Writes
Mother of Trip To
Ithaca, New York

Tom H. Tuttle, son of Mrs. Fannie Tuttle in Cameron who is now in Ithaca, New York to complete his studies and to get his degree has written a letter of interest to his mother telling of his trip.

Part of the trip was made by water and the following extracts are taken from his letter.

'We came through a little storm at sea and all of the people but a few—I was one of the few—got very sea sick. My little room mate, a boy going to the University of Penn., had to stay in bed almost all of the way. I suppose I am a good sailor as the ship went through the worst storm of its four years afloat and yet I didn't miss a meal. The ship flew clear of the water about three times and when the propellers didn't hit a thing as they spun around I have never felt such a shaking. I enjoyed the whole thing, for I had been hoping for a little storm. It blew so hard that no one could stay on foot when they were on deck—and the people—the few of them—who went to meals staggered like they were drunk.'

'Of all the beautiful places I have ever seen Florida has them all bested. As we drove about over the cities of Miami, Miami Beach and Coral Gables I longed for you. I wish I had the money to take you to that place. I don't see how the flowers in the Garden of Eden could have been more beautiful.'

'While in Florida I saw the home of the former Mr. Deering—famous for his plows and farm machinery—and I am sure no palace is finer. It is located on 200 acres of land which contain all the tropical plants known to man. It was built at a cost of seventeen million dollars and the house cost over seven million. He kept 16 servants. The bath tubs are of mother of pearl and are trimmed in gold, and there are 20 of them—just think when he died all he had to carry away was what they buried him in. I love pretty things but this is too much, why should one build as though he expected to live forever. I don't suppose any one wants to live in the place now and a big estate has it in charge.'

Babe Schindler To
Play at Skeezix

Babe Schindler and his Syncopators are to play at Skeezix tomorrow night. This announcement will please all dance lovers who have ever heard them. This orchestra is one of the best orchestras in Texas and Mr. Camm is fortunate in securing them.

PARENT TEACHERS IN
SESSION HERE FRIDAY

JOINT MEETING WITH TEACHER INSTITUTE PROVES PROFITABLE GATHERING

The County Council of the Parent-Teacher Association in business session last Friday afternoon decided that the health committee of the council should have charge of the annual sale of Red Cross Christmas seals. If the sale of these seals amounts to as much as or more than \$500.00, 60 per cent of the total may be kept by the county and the remainder sent to headquarters of the Texas Public Health Association which is affiliated with the National Tuberculosis Association. The County Council has been interested for some time in the project of employing a county health nurse. Several months ago petitions were sent to the various precincts of the county to be signed by the voters with the idea of ultimately presenting them to the Commissioners Court. A committee was named at the meeting Friday to go before this court at the next meeting with these petitions.

Other business matters attended to included the election of Mr. Monroe Walker, principal of the school at Friendship, as treasurer of the County Council to succeed Mrs. John Henry Thomas, formerly of Gause, who has moved to another county, and the urging of each Association in the county to send delegates to the State Congress of Mothers, which is to convene at Waco, November 18-21. The County Council as a body voted to send as its representatives its president, Mrs. E. P. Survant of Thorndale, and its secretary, Mrs. Ben Atkinson of Cameron.

The meeting of the County Council was an all day affair in conjunction with the Teachers Institute. The members visited the Institute sessions during the morning, at noon they were entertained at lunch at the Ada Henderson cafe by the Cameron P. T. A., and in the afternoon a program was heard prior to the business session. Mrs. E. O. Seike of Bryan, district president of P. T. A., was to have addressed the meeting, but she was unable to attend because of injuries received in an automobile wreck. Her absence interesting talks were heard from Mr. Miles, superintendent of the Rockdale schools, who spoke on the value of the P. T. A. organization, and Mrs. Robinett, principal of the school at Branchville, who discussed the relationship between teachers and parents. Mrs. J. P. Love spoke of the work of the local P. T. A., and explained the progress of plans for employing a county nurse. She urged the cooperation of the teachers and the various organizations. Mrs. Robbins, county superintendent, encouraged organization of Parent-Teacher Associations in all the schools.

JOHN A. GREEN FUNERAL
WILL BE HELD FRIDAY

NATIVE CITIZEN OF CAMERON
DIES AT HOME HERE ON
WEDNESDAY MORNING

Funeral services for John A. Green, 53, will be held Friday afternoon, October 4, 1929, at the residence on North Travis street with interment in the Oak Hill Cemetery.

Mr. Green died at the family residence in Cameron at 2:25 o'clock Wednesday morning October 2, 1929 from typhoid fever. The funeral is being delayed for the arrival of relatives. Dr. W. R. Minter of Austin will conduct the services.

Mr. Green was born in Cameron on March 30, 1876, the son of Mr. and Mrs. George Green, pioneer citizens. At a young age he moved from Cameron 30 years ago. He returned to this city about two years ago and has made his home here since. He was a member of the Baptist church.

He is survived by his widow and seven children as follows: Mrs. Geo. Antrim of Cheyenne, Wyoming; Miss Helen Green of Dallas, Misses Lucille and Ruth Green of Cameron; George Green of Cheyenne, Wyoming; Jack Green of Seattle, Washington; Walter Green of Port Angeles, Washington; and three sisters, Mrs. George McGehee, and Mrs. S. M. Burns of Cameron; and Mrs. M. M. Kemp of Waco.

COTTON REPORT

There were 25,945 bales of cotton ginned in Milam county from the crop of 1929 prior to September 16 as compared with 30,889 bales ginned to September 16, 1928. This report is submitted by Grover H. Albert, special agent for the Department of Commerce, Bureau of statistics.

'Lure of the City'
Friday Evening

Lovers of good entertainment are to have a real treat in Cameron on Friday night, October 4 when the T. N. T. Club of this city presents 'The Lure of the City' at the Yoe High School Auditorium.

The play is being presented by the Thespians of Temple under the auspices of the T. N. T. Club of Cameron. This play has been presented in a number of Texas towns and is one of the best productions of the year. The local club members invite the people to attend this play at the Auditorium on Friday night. The play will begin at 7:45 P. M.

LIFE TERM FOR YOUTH
WHO SLEW GROCERYMAN

ANTONIO HERNANDEZ PLEADS
GUILTY AND TAKES LIFE
IN TEXAS PRISON

Antonio Hernandez on plea of guilty for the murder of Josef Pavlak here on July 30, 1929 was given a life sentence in the Texas State Prison in District Court here Tuesday.

When the case was called for trial attorneys representing Hernandez from San Antonio entered a plea of not guilty. A jury was impaneled and the case proceeded. Later in the course of the trial a plea of guilty was entered by the defendant and the jury assessed the punishment at life in the state prison.

Josef Pavlak, aged groceryman was beaten to death with a hammer as he sat in his store on the afternoon of July 30, 1929. The store was robbed of a considerable sum of money and a pistol taken. The Mexican was arrested in the late afternoon of that day on the Maysfield road by Sheriff Blaylock and deputies.

Geo. A. Thomas & Sons
Store Here Robbed

A quantity of watches valued at about \$700 was stolen from the Geo. A. Thomas and Sons drug store on the night of September 30 when thieves entered the store supposed through a transom from the front of the building.

The robbery was not discovered until the afternoon of October 1. A list of the missing watches was furnished to Sheriff L. L. Blaylock and the officers have been working on the case.

On the same night 11 cases of cigarettes were stolen from the freight depot of the Southern Pacific railroad and the sheriff is also working on this case. He is being assisted by Detective Martin of the railroad company.

Mr. Blaylock is offering a reward of \$100 for the recovering of the watches taken from the Thomas Drug Store or a sufficient amount to convict and the arrest and conviction of the person or persons guilty. In the case of the theft from the railroad company the sheriff offers a reward of \$50 on the same terms.

W. R. Hoover Attending
Legion Convention In
Louisville, Kentucky

W. R. Hoover, agent here for the Gulf Refining Company, is in Louisville, Kentucky, this week attending the American Legion Convention and to represent the Texas department along with a large number of Legionnaires who are attending from the Lone Star State.

Mr. Hoover expects to return to the city within a few days.

Delphian Chapter
Meets Tuesday

With Mrs. Joe Denson as leader, members of the Delphian Chapter met Tuesday afternoon at the Ada Henderson school at 3:30 o'clock. The resume of the last lesson was given by Mrs. T. A. Fisher, the preparatory discussion by Mrs. Denson and then the following topics were heard: The Catacombs, Mrs. A. H. Baskin. Basilican churches, Mrs. W. R. Newton. Byzantine churches, Mrs. Howard Baskin. The Romanesque, Mrs. Niley Smith. Gothic churches, Mrs. John A. Smith. Church decoration, Mrs. J. W. Coleman. The Rise of Universities, Mrs. E. A. Flinn.

A general discussion followed the reports. Mrs. E. A. Flinn will be leader at the next meeting.

Ray Casey and Cliff Pickens of Bryan were Cameron visitors Sunday.

YOEMEN BEGIN SEASON
IN CAMERON FRIDAY

ROSEBUD TO OPPOSE CAMERON
IN FIRST GRID GAME ON
HOME GROUNDS

The 1929 football season for the Cameron Yoemen will officially begin on Friday afternoon October 4 at 4 p. m., when the team meets the Rosebud eleven on the high school athletic field.

Coach Perkins and Assistant Coach Strickland have been putting the Yoemen through vigorous training in preparation for the game to open the season on Friday. The squad this year is said to be unusually strong, a team that merits the united support of all Cameron and it is expected that a large crowd will be on the field when the referee calls the teams to the grid.

The scoring machine the coaches have built up is centering around some powerful backs in Boots Smith and Ralph Keith while Captain Stach at tackle is playing a scintillating game.

The Rosebud team this year is also strong and the game here Friday is expected to be one of the best of the season. The showing of the Yoemen against Temple is a real encouragement for the season and to the coaches.

The people of Cameron are urged to attend and to give the team all possible support in this opening game as well as the remainder of the season schedule.

Rev. C. O. Williamson
To Preach At First
Presbyterian Church

The Herald has been requested to announce that Rev. C. O. Williamson will preach at the Presbyterian church in Cameron Sunday at the morning and evening hours.

Rev. Williamson is a member of the faculty at the Seminary in Austin and in charge of the Department of Spanish.

The membership is requested to attend the services and the people generally are invited.

WILL C. BRISCOE BURIED
IN CAMERON WEDNESDAY

DIES IN SAN FRANCISCO AND
BODY RETURNED TO CAMERON FOR INTERMENT

Funeral services for Will C. Briscoe who died at San Francisco, Calif., September 27, were held from the home of his sister-in-law, Mrs. Mamie Arnold Hefley, Wednesday afternoon at 3:30 o'clock, with Rev. P. T. Ramsey of the Methodist church officiating. Music was furnished by a choir of voices from the Methodist church and Miss Katherine Ramsey sang 'Lead Kindly Light,' as a solo.

Mr. Briscoe who was 60 years old was born at Canton, Mo. He was married in 1900 at Colorado Springs, Colo., to Miss Myrtle Arnold. They had one child, Isabelle, who died at the age of nine years, and was buried at Oak Hill Cemetery, Cameron. Mr. Briscoe was a member of the Baptist church and served as superintendent of the Sunday School for several years at Colorado Springs. He and his wife have lived in the west for some years.

Besides his wife, he is survived by one brother, R. S. Briscoe of San Francisco.

The body arrived in Cameron on the Southern Pacific Wednesday morning and was taken in charge by Coleman and Epley, who had charge of arrangements. Pall bearers were Penn Wolf, Dr. Tom Denson, J. C. Henny, J. C. Joseph, R. P. Jeter and G. T. Moore.

District Governor Is
Guest of Lions Here

The Lions Club met at its regular session on Tuesday noon in the Methodist church with thirty-two members and seven visitors present. It was a live wire meeting with H. C. Copenhaver, District Governor of Texas Lions organizations, addressing the gathering with an interesting discussion on Lionism.

After luncheon, club projects and the High School essay contest on 'What Lions Can Do for Cameron and Milam County,' was considered in detail.

Visitors present were as follows: H. C. Copenhaver, L. C. Gayle, Rev. P. T. Ramsey, Ben Gaykin, B. Harkrider, F. H. Fuchs and H. B. Pressley.

Sentiment in the United States seems to be in favor of reforming the calendar now being used, according to a report of the National Committee on Calendar Simplification.

This committee has just concluded a year's investigation of this subject and out of 1433 organizations which replied to the question regarding a new calendar, 1154 favored a modification of the present system. Inasmuch as this is more than 80 per cent in favor of a change, it would seem that there is no considerable opposition to calendar reform.

On the present calendar there are 12 months, varying in length from 28 to 31 days. Any particular day of any month differs each year in the day of the week upon which it will fall. The proposed change is to have a calendar of 13 months, each 28 days which would take 364 days and would leave an extra day. This day would be placed at the end of the calendar as an additional holiday.

Under this plan the first day of every month would be Sunday and the last would be Saturday, so that it would be comparatively simple to keep straight the days of the week any special date would fall.

The idea is to have the world adopt this calendar generally so as to do away with the present confusion due to the fact that so many different calendars are in use in different parts of the world. The American Committee has been acting in co-operation with a committee of the League of Nations. In this way it is hoped that a changed calendar can be agreed upon and put in use throughout the entire world.

It sometimes takes a lot of crust to get a piece of political pie.

Every age has praised its mothers and criticized its daughters.—Chancellor Lindley, University of Kansas.

Visiting Teachers
Guests At Country
Club Reception

Milam County teachers attending the Institute last Thursday and Friday were guests Thursday evening at a reception given in their honor at the Cameron Country Club. In the receiving line were Mrs. K. K. Robins, county superintendent, Mr. T. A. Fisher, superintendent of city schools, Mr. W. L. Hughes, professor of rural education at A. & M. College and former president of the State Teachers Association, Miss Leland Watkins, rural supervisor in Dallas county, Mr. R. M. Wood, Sam Houston State Teachers College and Mrs. Shad, principal of the school at Milano.

Following a grand march in which all the guests participated, the following program was introduced by Miss Ethel Jenkins: Piano solo, Mrs. A. C. Strickland; Puppet show by boys and girls of the seventh grade under the direction of Mrs. Jenkins; vocal solo, Mrs. Arthur Lee; reading, Miss Sallie Coleman, violin solo, Mr. Arthur Lee.

Refreshments consisting of ice cream and angel squares were served. The club house was attractively decorated with pink roses and Queen's crown. There was one large basket of rose-colored gladioli, the gift of the Cameron Business and Professional Women's Club to the teachers.

MRS. ORALEE WADE IS
BURIED SALEM TUESDAYMOTHER WHO MET TRAGIC
DEATH LAID TO REST IN CE-
METERY NEAR CAMERON

Funeral services for Mrs. Oralee Wade who died here Monday afternoon, September 30, 1929 as a result of a gunshot wound, were held Tuesday afternoon, October 1, 1929 at the First Christian church in Cameron at four o'clock with Rev. J. Hardigree, pastor, conducting the services, assisted by Rev. Arthur A. Hyde, former pastor and evangelist for the church.

The funeral service, the large crowd attending, was a tribute to the dead mother who had worshipped as a member of that church for years and had endeared herself to hundreds by her example of Christian living. Friends came to fill the church and overflow the surrounding site to pay their respects to her. The great casket was banked with flowers, tender and fragrant testimonials of esteem from the wide circle of friends who knew and loved her. A choir of mixed voices from the church sang softly and with great melody the favorite songs of the church. A special musical number was a solo by Miss Bess DuBois.

In the funeral address Rev. Hardigree paid a splendid tribute to the deceased mother, dwelling at length upon her character and service in the church. It was a most impressive tribute finding echo in the hearts of those who came for the funeral service.

Rev. Hardigree in his sermon spoke in part as follows:
"We stand in the presence of death to express our appreciation of life. We all enjoy living, but the sacred presence of death gives new value to life."

"Death is not a thing to be dreaded tho it may come by slow process of disease or shock us as a flash of unexpected lightning from a clear sky. It is a most glorious thing, coming a times to release us from physical pain or mental anguish that the world does not know of and need not know. Yes, at its worst, death is a release from the bounds of a prison life, with its chains of flesh and blood to that abundant life of an eternal spirit. That death is the golden gate to life."

We owe a sacred tribute to this departed Christian mother, which cannot be paid by any expression in words nor in the sacred and reverent silence of this home, but must be paid in lives consecrated and dedicated to that holy appreciation of motherhood that will make all mothers safe in this fair city that we love. This may be done by sustaining our moral and civil laws in that one effective method of enforcement, personal observance and public education. Obey all law and teach all to respect the integrity of government.

We speak in a spirit of humility and with a heart of mercy when we say no person should be allowed to take advantage of the fevered brain and nervous hand of the unfortunate of our community and state. Sustain and enforce the law and save home and mother.

Children, as we think of your dear mother's life, it is as entering 'The Flower Garden of God,' to gather a basket of flowers.

We gather the full blown rose kissed with the fragrance of the morning dew, a perfect expression of mother love.

We pluck the lily, pure and white, the virtue of a true Christian mother. We tenderly reach for the violet and think of loyalty to home even in hours of distress and grief. Now let us gather Forget-me-nots and Heart's Ease for treasure to be placed in life's memory book and transplanted into the soil of other souls that the virtues of your mother may live ever a fresh in your own lives and midst. She has left you a sacred heritage, and in appreciation let us turn from the scene of death, sacred death, to life and the glory of living.

May the richest benedictions of heaven and the spirit of your mother hover over you through life. Amen.
Mrs. Wade was born in Milam county on April 6, 1889. She became a Christian at the early age of 15 years and united with the church to which she had remained loyal and faithful through the years. On June 20, 1906 she was married to Mr. Eugene Wade and to them were born seven children, two of whom, Jesse and Eugene died in infancy.

Her devotion to her children was a beautiful characteristic and the inspiration of her life will be a blessing in memory to guide and hold them. She is survived by the following children: Mable Wade, Lorene Wade, Dorris Wade, Gena Wade and David Wade. Others who survive her are her husband, Eugene Wade; Mrs. J. H. Devers, her mother; one sister, Mrs. W. B. Lee of San Marcos; four brothers, Atwood Devers of Cameron, J. B. Devers of Brenham, Ray Devers of Ennis and Claude Devers of Corpus Christi.

Interment was made in the Salem Cemetery with the Coleman-Epley undertaking firm directing the arrangements. The October sun of late afternoon spread its soft light over

the landscape as the children, torn by their grief and hundreds of friends stood by the open grave to pay their last tribute, remembering her always as a gentle and loving mother and a friend to mankind.

The following were pallbearers: Dow Epley, Bennie Archer, Bert Nicholson, J. C. Brashear, W. D. Faver and Jim Neinst.

THE CANDLE OF LIFE

Slowly but surely the candle of life burns. There is important work to be done before the flame flickers.

It is a delicate thing—the flame of the candle—like the thread of human life; a gust of wind, a quick or unexpected movement, and all is darkness.

This delicate candle flame lights your loved ones along life's pathway. Without it's illuminating guidance they would stumble in the darkness. So the unalterable march of life moves on. The scythe of time takes its daily toll and the candle of life that we loved so dearly in this world will shine the brighter in the great beyond.

—Contributed.

DIES IN MISSISSIPPI

E. A. Denson of Harleston, Mississippi, died at his home there Wednesday morning. News of the death was received in Cameron. He was a brother of Dr. T. J. and John L. Denson of Cameron.

A Note of Nobility

Lady Constance (to decorator), 'Have I not ordered the hangings and draperies of my boudoir to be in blood color, and here I find them in blue?' 'Ah, but is not milady a blue-blood?'

She, 'Did you ever see a robin pull so hard on a worm that he pulled it in two?'

He, 'No, but I should think the worm would feel bad.'

She, 'He did. He broke under the strain and the bird was quite upset.'

Mrs. Annie Reese and children are moving to Waco this week. One daughter, Miss Oleta Reese, is a student at Baylor University.

Living Room Tour For W. H. D. Clubs On October 17

The County Council of Women's Home Demonstration Clubs has planned a tour for the members of the seven different clubs of Milam county. They will visit some of the living rooms in different parts of the county, which have been improved during the past two years through our club work.

The purpose of this tour is to create more interest and enthusiasm in the Living Room Improvement Contest. We hope to have some contestants for 1930. The homes of both of our county winners in 1928 will be visited on this trip. It will be a benefit as well as a pleasure for all; for we feel that after seeing what some women have done, others will want to do also.

The following program has been planned for Thursday, October 17: All meet in Cameron at Post office building at 9 A. M.

9:00-9:15—Visit home of Mrs. John Watson.
9:15-9:30—At furniture store.
9:30-10:00—Go to Maysfield.
10:00-10:25—With Mrs. Newton.
10:25-11:30—To Bryant Station.
11:30-12:00—Mrs. Guido Gersbach.
12:00-1:00—Picnic lunch.
1:00-1:30—Mrs. Will Schwartz.
1:30-2:00—Mrs. J. L. Modestette.

The Rudder and Elmore poultry farms will be visited also, which will be of much interest to the club members.

The lunch will consist of foods that will be easily prepared and served, such as sandwiches, stuffed eggs, pickles, potato chips, weiners, small cakes and doughnuts, coffee and water.

We urge that the arrangement committees from each club please see that all members who can be present at this trip.

THE STATE OF TEXAS,

County of Milam,
To those indebted to or holding claims against the estate of Joseph A. Hosch, deceased:

The undersigned having been duly appointed administrator of the estate of Joseph A. Hosch, deceased, late of Milam County, Texas, by Jeff T. Kemp, Judge of the County Court of said County, on the 6th day of August, A. D., 1929, during a regular term thereof, hereby notifies of persons indebted to said estate to come forth and make settlement, and those having claims against said estate to present them to him within the time prescribed by law at his residence in Cameron, Milam County, Texas where he receives his mail.

Witness my hand this 4th day of September, A. D., 1929.

B. J. MATOCHA,
Administrator of the Estate of Joseph A. Hosch, deceased

Jay House has defied the law. Now if the law believes in enforcing the law, they should have him in jail. But, let a less than an ordinary plug citizen do as Jay says he does and he would be in jail right now.

What's the use of doorbells any more, the horns on the cars seem to be answering the purpose pretty well.

CREAM SUPPER

There will be an ice cream supper at Pin Oak School house Saturday night, October 5.

England is closing some of her penitentiaries while the U. S. is building new ones to accommodate the crowds. The U. S. makes laws to make men good (?). We do not know how England does it.

'Are you a clock watcher?' asked the employer of the candidate for a job.

'No; I don't like inside work,' replied the applicant, 'I'm a whistle listener.'

The congressmen are out looking after their forces and gathering hokum for their relief. Everybody is asking relief but no one is satisfied with what they get.

Odd Powers Attributed to Gems in Ages Past

While in modern times the value of jewels depends on their use as ornaments and their employment in certain optical and other instruments, the ancients attached a far different significance to them. In their minds gems were endowed with gifts of spiritual and material power and were credited with the ability to cure diseases, avert trouble and drive away the demons, which harassed the imaginations of people of early and medieval times. This conception gave rise to the wearing of amulets, the presiding genius of one's fate being easily carried about in the form of a precious stone.

These ideas, now so ridiculous to us, had their origin in the philosophy of India and are related to the belief in the transmigration of the soul. It was believed that the soul which, at death, had not reached a state of absolute purity, had to undergo various transmigrations until it became purified, and that consequently it entered into plants, animals and even mineral bodies in the process. Therefore, gems were considered living beings. Being of incomparable physical purity, they were regarded as the highest expression of natural perfection, and hence supposed to possess talismanic and other powerful properties.—Exchange.

Historic Buildings in Finnish Town of Turku

Turku was Finland's first capital. Christianity was first taught there, and the first Christian converts were baptized in the River Aura. The oldest cathedral and the oldest castle in Finland are to be found in Turku, and nearly all the historic homes of the Finnish nobility are in or near the city.

With the exception of the cathedral and the castle, modern Turku has been built since the disastrous fire of 1827, when the old town was almost entirely destroyed in a blaze that burned for five days. Both the castle and the cathedral are grim structures with little exterior ornament. The cathedral has a long, narrow vaulted interior and most of the immense treasure which was once kept there has disappeared.

Part of the castle is now a museum and is furnished with pieces of old Finnish furniture. Visitors can still see the dungeon, six fathoms deep and black as pitch, where prisoners were kept. In the great central hall is a high gallery from which a cruel ruler once had unruly subjects hurled to the floor below. One cell in the castle is still known as the malefactor's resting place.—National Geographic Society Bulletin.

No Need to Reckon Years

The numbering of years is a man-made artificiality, having little to do with the soul or the mind or the heart. An old anecdote of Napoleon tells of his conversation with a Hungarian officer who said he had fought in the army of Maria Theresa.

"You must be old," said Napoleon.

"Yes," said the officer, "I am sixty or seventy."

"Why, colonel," said the emperor, "you have certainly lived long enough to know how to count the years a little more closely."

"General," was the man's reply, "I reckon my money, my shirts, and my horses; but as for my years, I know that nobody will want to steal them, and that I shall never lose one of them."—Boston Herald.

Broad Hint

A business man who has just become engaged to be married is a good hearted fellow and popular with his staff; his only drawback from their point of view being that he has no idea of time dictating letters just as everybody is packing up to go home.

As a wedding present they bought him a clock.

It was a fine clock, but it had one defect. It had no hands. In thanking them for the gift, he called attention to this fact.

"Oh," said the man who was making the presentation, "you never look at the time, so we got the jeweler to remove them. They were gold, and he took \$5 off the price."

If!

The small boy, aged six, was making a tiny wreath.

"What is it for?" inquired his mother.

"You know you said you heard a mouse in the pantry?"

"Yes."

"And you know you said you thought of buying a trap?"

"Yes."

"Well, if you buy a trap, and if you catch the mouse, and if they drown the mouse after it is caught, and if the mouse is buried, and if we give it a nice funeral, we shall need a wreath, shall we?"

"For the Use of the House"

Three-year-old Billy's mother, being particular that he should not annoy the neighbors, would not permit him to go into their house unless on special invitation. So Billy was especially delighted when he was permitted to spend the whole morning with the ten-year-old boy next door, who was very fascinating to him in a thoroughly "grown-up" way. When he got ready to go home, he summoned all his manners. "Thank you for the house," he said, gratefully.

CAMERON BUSINESS WOMEN TO TEMPLE

TEMPLE CLUB GIVES BANQUET
AT KYLE HOTEL THERE
TUESDAY NIGHT

In response to an invitation from the Temple Business and Professional Women's Club, a number of the Cameron B. & P. W. Club motored to Temple Tuesday evening and attended a delightful banquet given at the Kyle Hotel at 7:30 o'clock.

This was a celebration of their fifth birthday and to hear the report of Miss Daisy Leake, who attended the National Convention this summer. The Temple Club was hostess to the clubs in this district, which contains nine clubs, but only seven had representatives, San Antonio and College Station sending no representatives. The Cameron Club had the largest number of members present among the visiting clubs.

Temple, in keeping with her wonderful record for good old time Southern hospitality, gave a royal greeting to all visitors.

A four course banquet was served in a most attractive style to 145 guests. During the feast a number of delightful piano numbers were given, followed with Pep Club songs led by their leader, Mrs. Lillie B. Brooks.

Dr. Bertha McDavid, president of the Temple Club, introduced Mrs. Besse B. Garth, who was toastmaster of the occasion. During the evening the visiting club presidents were called upon to introduce her members present.

Miss Daisy Leake, past president of the Temple Club, past state president and present second national vice president, having been elected last July at the convention held at Mackinac Island, Michigan, and gave a lovely talk on the convention and said:

"There were twenty-four occupational business tables in round table discussions with from 150 to 350 women of same professions represented from the 56,000 members in the United States.

"While in session at this convention the states voted to start a fund for a National Club Home, to be erected at Washington, D. C., to be called 'The Florence Sands Home' in memory of the late Miss Florence Sands, of Texas, who was outstanding in club work during her life. Another honor for the club women of Texas. Within a few minutes \$25,000 was pledged. Miss Leake pledged \$500 for Texas, which with her fifty clubs will be portioned out \$10 to each club. Cameron will come up one hundred per cent with the other clubs over the state.

While at the National Convention Miss Leake had the honor of giving the response to the welcome address, putting Texas on the map at once in that splendid convention.

During the evening of this lovely affair at Temple, our own Anne Stallworth, State Treasurer, was introduced and received a royal welcome from the visitors.

Later in the evening the huge white birthday cake of the club, which graced the center of the speaker's table, was removed to the mezzanine floor in the hotel and cut and served with delicious fruit punch.

The following Cameron members attended this delightful affair: Mesdames Gladys Watson, W. L. Braun, Cora Cammer, S. E. Guthrie, Lottie Bigbee, Nannie Bedford, Emma Moore, Katherine Robbins, and Misses Lillian Atkinson, Mary Lake Henderson, Willye Hyde, Jennie Shirley, Enid Reaks, Mollie Moore, Delphya Scott, Katherine Robbins, Leila Woolley, Lucile Butts, Emma Gene McLerran, Carrie and Bessie Marak, Rose Rischar, Anne Stallworth, Annie Woolley, Katherine Lovick and Mrs. Daniel Legacy of Coeur D. Alene, Idaho, guest of her sister, Miss Rischar.

MRS. EULA McMILLAN DIES

Mrs. Eula McMILLAN Nelson of Houston, formerly of Cameron, died at her home in Houston Monday. Funeral services were held in Rockdale Tuesday. She is survived by her husband and three children of Houston and her parents, Mr. and Mrs. Dave McMILLAN of Rockdale and several brothers and sisters.

Mrs. E. A. Wallace Is Hostess To History Club Tuesday

Members of the Cameron History Club held their initial meeting of the season on Tuesday afternoon, Sept. 24, at the home of Mrs. E. A. Wallace. The new officers, Mrs. Graham Gillis, president and Mrs. Joe Denson, secretary, acted in their new capacities. Roll call was answered with accounts of summer reminiscences. The club members were happy to welcome Mrs. Paul Webb, a former member who has been away for the past year. The hostess, assisted by Mrs. Dan Collins, served a salad plate. Favors were handpainted ensembles of oak leaves and acorns, the work of the hostess.

Hard to Picture Orient Without the Date Tree

For untold ages the date has been a staple article of diet in the Orient. It is said that a half-pound of dates and a half-pint of milk make a sufficient meal for a person of sedentary habits. The date needs milk to round out its food balance. An intensely hot climate and plenty of water are necessary for the production of dates. As an old Arabian saying goes: "A date palm must have its head in fire and its feet in water." Some believe that when Adam and Eve lived in the Garden of Eden, they subsisted very largely upon the date. In fact, that part of Mesopotamia which produces to this day the best dates is regarded as the probable site of the Garden of Eden. Archeologists, in making excavations in this region, have uncovered ruins thousands of years old, among which have been found broken sculptures of the date palm, together with references to the use of its fruit as a food. According to an old, old Arabian story, after God had created Adam, some of the soil clung to His hands and He molded it into a date palm. The leaves were set in a feathery crown at the top the same as He created man. So it is only natural that the palm should be as nearly perfect a tree as Adam was a human being.

Seam of Burning Coal Keeps Mountain Warm

A unique Australian phenomenon is the "Burning Mountain" at Wingen in northern New South Wales, which scientists say has been on fire 1,000 years.

According to a party of geologists, who have just returned from an exploration of the mountain, says an Associated Press dispatch from Sydney, there lies below the surface a burning coal seam. Long before European settlement in Australia "Burning Mountain" was known to the aborigines, and to them it owes its name, Wingen, signifying "fire."

The geologists report that the summit presents the appearance of the debris of a vast block of buildings consumed by fire with an explosion or two thrown in. Smoke and steam continuously are issuing from different points, and there are numerous deposits of alum and sulphur.

The burning seam probably is 20 feet or more in thickness, say the geologists, and is being consumed at the rate of from 120 to 130 yards each century. The warmth of the mountain in winter time attracts cattle, horses, and wild animals.

Gems Always Desired

Brilliant objects have always inspired man with a passion for their possession, and precious stones have occupied an important position on account of their form and color. The history of gems runs parallel to that of humanity and has been associated with the development of religion and science from the most remote times. Their connection with the church can be traced from the offerings of jewels in temples of the pagan gods to their place by the end of the fifteenth century as the chief possession of the "treasury" of Christian churches.

If the Arabs are kept quiet England will have the job to do. England is respected because she carries a big stick and has a good wallop.

I am one who has never thought it would do the Jews any good to go back to Jerusalem. If we were a Jew, we'd stay in the U. S. A.

DO YOU PAINT?

You need not be a Rembrandt to wield a brush effectively. A can of brilliant-colored B. & B. Gloss-fast is all you need to heighten the charm of attractive furniture. Buy it here!

The Senate is fixing up a tariff scheme to relieve the farmer, but we hereby notify them that there are a lot of farmers who are relieved—they will not have much to do.

If we had as much trouble at our praying place as the Jews, we would quit it and go some other place.

Beggar, 'Kind lady, I was not always like this.'

Lady, 'No, last week it was the other arm that was missing.'

'My 'usbin calls a spade a spade.' 'Well, I wisht he'd call the lawnmower by its right name too.'

'Did you ever go to that telephone girl's house?'

'Oh, yes, after I'd called at the wrong address she gave me.'

Stop, Look Listen

He heard the toot, but tried to scoot and beat the choo-choo to it.

The poor galute now twangs a lute—Take heed and don't do it.

OAKLAND USES HARDEST MATERIAL MADE BY MAN

PRECISION STEELCUTTING INSTRUMENTS TIPPED WITH CARBOLOY FEATURED

The hardest material ever manufactured commercially by man—a material so hard that it scratches glass like a diamond—now is being used by the Oakland Motor Car Company to provide tips for steel cutting machinery in several precision operations on both the Oakland and Pontiac Sixes.

The material is called carboloy, a tungsten carbide which has none of the properties of steel but which is infinitely harder than the hardest of high-speed steel. Its ingredients are carbon, cobalt and tungsten, the latter being the element from which electric lamp fillaments and the contact points of automobile ignition systems are made. While approximately the hardness of a diamond, carboloy is slightly less brittle and therefore does not chip so easily.

Although diamonds the size of a pin-head have been manufactured by subjecting carbon to tremendous heat and tremendous pressure, the cost has proved prohibitive and the artificial diamonds too small to be of commercial value. The manufacture of carboloy also is relatively expensive—it costs \$1 per gram—but only a very small piece is needed, just enough to provide a carboloy tip weighing six to twelve grams on a base of steel. On precision machining, carboloy has proved so extremely efficient that cutting operations may be held within the limits of two ten-thousandths of an inch.

Experiments in the manufacture of carboloy first were made during the War by German scientists seeking a substitute for their blockaded supply of diamonds used in drawing resistance wire. American scientists recently improved upon the German methods of manufacture and succeeded in producing a material equally hard but less brittle than the German product.

An apparent anomaly in connection with use of carboloy at the Oakland-Pontiac plants is the fact that the cutting tools employing this material must be refinished with a much softer abrasive wheel than that used to refinish high-speed steel tools which are not nearly so hard as carboloy. In the language of the factory, the hard refishing wheels 'do not touch' carboloy while the wheels of comparatively soft material do a perfect job of refishing.

CLARKSON

Mrs. Carli and daughter of Port Sullivan were guests in the O. T. Canady home Monday night and Tuesday night.

Mrs. Bell and Luther Bell of Burlington were guests in the John Bell home Monday night.

Paul Brast of Temple was a guest in the Herman Schwarting home Monday night.

Perry Strickler and wife attended the funeral of Mr. Strickler's grandmother at LaGrange Wednesday.

Howard Schwarting and wife enjoyed ice cream with the John Bell family Monday night.

Walter Garrett is driving a new Chevrolet.

Mrs. Herman Schwarting was a guest in the home of her sister, Mrs. Grady Dupree of Reed's Lake, Saturday and Sunday.

Mrs. Newt Canady and children of Jones Prairie were callers in the John Bell home Saturday.

Merle Mitchell, who is attending school in Cameron was at her home with her father, Louie Mitchell over the week end.

Mrs. Lynn Canady and little son were guests in the home of Mrs. Aug. Friemel Saturday.

John Blasienz Jr., and wife of Bryan were visiting relatives in our community over the week end.

Mr. H. W. Sims and Mrs. Sims of near Gulf were callers at the E. F. Campbell home Saturday afternoon.

Joe Friemel Jr., wife and two little daughters were callers at the Joe Friemel Sr., home Thursday night.

Annie Otahal is attending school at Jones Prairie this term.

Henry Schwarting returned from Port Worth Thursday.

Paul Branstreter enjoyed the dance at Skeezix Saturday night.

Jim Hauk and Clara Engbrock were in Cameron Saturday night.

E. F. Campbell and family were shopping in Rosebud Saturday.

Erwin Campbell was the guest of

Marvin Bell Saturday night.

Adolph Schultz and family, Will Kuhn were business visitors in Cameron Friday.

Richard Unterkierchier, who has been visiting his sister, Mrs. Frank Douglas, left for his home near Houston, Friday.

Rodney Fontaine of Jones Prairie was a caller in our community Saturday.

Ivie Canady and family of North Elm and John Murff of Rosebud were Sunday dinner guests in the John Bell home.

Mrs. Willard Keith, Lois and Lorene Brown and Margaret Johnson were callers at the Herman Schwarting home Sunday.

JONES PRAIRIE

By MRS. R. K. FONTAINE

Orvil Canady and family of Clarkson spent Saturday and Sunday at the Canady home here.

Miss Ethel McKinney spent last week in Cameron at her sister's, Mrs. E. A. Flinn.

Thursday and Friday school was closed on account of Institute. Jones Prairie has a new piano this year for the school.

Mrs. W. J. Fontaine and grandson Billie spent Friday afternoon with her brother, C. J. McLerran.

Wm. Bailey spent Sunday in Marlin with his parents.

C. C. Black and family had as guests Sunday Mr. Black's sister and husband of Marlin.

Rev. Skinner preached at Sneed's Chapel the fifth Sunday.

Mrs. Jack Pond and daughter spent last week in Cameron with her sister-in-law, Mrs. Dwight Price.

A good crowd attended prayer meeting at Little River Saturday night.

Rev. McKinney Henderson and bride were guests in the Mrs. Willie McKinney home Sunday.

Mr. and Mrs. Julian Burnett and Mr. and Mrs. Brant Smithner were callers on Mrs. J. P. Fontaine Sunday who is still quite ill.

Mrs. Wm. Bailey and children were Sunday dinner guests at the Jim Fontaine home.

Miss Ethel McKinney spent Wednesday in Temple with relatives.

Miss Dulce McCall spent the week end with Miss Bill Fontaine.

Dr. and Mrs. W. J. Fontaine and

daughter, Bill and Miss Dulce McCall of Cameron were Friday night supper guests at the Rodney K. Fontaine home, the occasion being Mrs. W. J. Fontaine's birthday.

Miss Maudie Canady spent Saturday night with Nadine Burnett.

Rev. and Mrs. Spradley of Thrall have moved to their daughter's home, Mrs. W. T. Johnson.

Mr. and Mrs. Howard Schwarting were Saturday night supper guests at the R. K. Anderson home.

S. S. Hickman and family motored to Ben Arnold Sunday to take Connie Mae to her school.

Elma Easley spent Saturday afternoon with Roxie Crook.

1,200,000 Chevrolets Sold Since January

Detroit, Oct. 2.—The Chevrolet Motor Company announced here today that more than 1,200,000 of the new six cylinder Chevrolet cars have been placed on the road since the first of the year.

This achievement accomplished in little over nine months, is three times the best showing of any other manufacturer of six cylinder cars in a calendar year and tops Chevrolet's record total for the entire year of 1928.

It is now certain that six cylinder production will set a world record this year, surpassing for the first time in the history of the industry the output of four cylinder cars. This leadership of the sixes will come about chiefly because of Chevrolet's record showing this year.

Chevrolet factory officials declare that the dominating reason back of

the leadership of the six is the public preference for the advantages which this type of construction affords. They point out too that the influence of great volume production, which has enabled the industry to get six cylinder prices down to the lowest on record and has made it possible for Chevrolet through maximum volume to offer six cylinder performance at a price that formerly bought only a four.

With a new yearly record already assured, Chevrolet factories are continuing on the biggest Fall production program ever undertaken by the company. Nine assembly plants and seven large manufacturing plants are facing the busiest final quarter that Chevrolet has ever known.

The heavy Fall factory program was made necessary, it was explained, to bring production up to the level of the demand and make possible quicker deliveries to owners.

A SIX IN THE PRICE RANGE OF THE FOUR

Most people realize that the New Chevrolet is a Six in the price range of the four. But not everyone knows what a really wonderful Six it is!

The Chevrolet engineering staff spent more than four years in the development of the Chevrolet Six. Materials are selected from the world's finest markets and, taken altogether, there are nine thousand inspections during the car's production and assembly!

The result is exactly what you'd expect—quality in design, in material and in workmanship that assures years of dependable and satisfactory service!

Come in today. We want you to see and drive this car—for it will give you a new idea as to what the buyer of a low-priced car can now expect for his money!

The Roadster, \$525; The Phaeton, \$525; The Coach, \$595; The Coupe, \$595; The Sport Coupe, \$645; The Sedan, \$675; The Imperial Sedan, \$805; The Sedan Delivery, \$395; Light Delivery (Chassis only), \$400; 1 1/2 Ton Truck (Chassis only), \$545; 1 1/2 Ton Truck (Chassis with Cab), \$650. All prices f. o. b. factory, Flint, Michigan.

Fred Hefti Tells of Trip to Carlsbad and The Wonder Cave

Fred Hefti of Maysfield has just returned from a visit to the Wonder Cave at Carlsbad, New Mexico. He left Maysfield on September 12 and made the trip overland in his car. He tells of his trip in the following words which will be of interest to the people here:

The trip was made overland, from Austin following Highway 20, to Fredericksburg, then Highway 9 to Big Springs, then Highway 1 from Big Springs to Pecos, then Highway 17 to the Texas-New Mexico line. From this point to the cave which is almost fifty miles.

From about twenty miles north of Sterling City to Pecos oil wells and tanks are always in view. Both Big Springs and Midland show growth due to the oil developments.

Crops along these highways vary from poor to good, and the roads are about the same. After passing Big Springs the timber almost disappears.

A description of the cave is almost impossible but the seven mile journey 750 feet underground is a sight, once seen never forgotten. The Big Room, the Green Room, the King's Palace, the Queen's Chamber, all told, there are 88 interesting sights, some of which are the iceberg, estimated weight, 250,000 pounds, American Eagle, Totem Poles, Bottomless Pit, Fluted Curtains, Marble Grapes, Frozen Waterfalls, Frozen Christmas Tree, Texas Trail and Rock of Ages. During 1927 a wedding was held at the base of this formation, the young lady had promised her mother never to marry a man on earth.

The party making the trip from Austin, Texas, where Mr. and Mrs. J. F. Lucksinger and children, Miss Agathen Lucksinger and Mr. Fred Hefti. The distance from Austin and return was 1184 miles.

To Deliver Unsealed Telegrams During Jewish Holidays

Unsealed telegrams will be delivered by the Western Union Telegraph Company during the celebration of Rosch Hashana, the Jewish New Year, which starts at sundown of October 4th, according to an announcement made today by Mrs. George D. Fisher, manager of the local Western Union office. This special service has been provided in order that Orthodox Hebrews may comply with a Mosaic law which prohibits their tearing anything during the holidays.

The exceptionally large volume of greeting telegrams sent during the Jewish New Year celebration has induced the telegraph company to provide special facilities for their transmission this year, as in previous years. Not only will additional operators and messengers be assigned to offices in Jewish sections, but the company has also provided a special Jewish New Year blank and envelope which will be used for all greeting telegrams. In addition a number of suggested phrasings for these messages have been compiled for the convenience of patrons.

The company announced also that it has made provisions for the sending of cabled greetings to European countries. Messages may be sent for as little as \$1.25 to these countries.

BEN ARNOLD

Everyone is invited to attend and enjoy the Carnival and Box Supper at the Vogelsang church Friday night, October 11.

Mr. and Mrs. Fritz Richter and Mr. and Mrs. Oscar Boeker and children of Karnes county are visiting relatives and friends here this week.

Mr. and Mrs. Ed Dahse and daughter, Verna were callers on Mrs. Reimer and family Sunday afternoon.

The Vogelsang school opened Monday, September 30 with Miss Annie Mae Dodson of Rosebud, teaching this term.

We are sorry to report that Newton McKinney, son of Mr. and Mrs. John McKinney was carried to the Cameron hospital last week where he underwent a serious operation of appendicitis.

Mr. and Mrs. Bill Kohring and Nora Kohring motored to McGregor Sunday to visit relatives.

Mr. and Mrs. Charles Friemel, Mr. and Mrs. Ernest Lorenz, Mr. and Mrs. Joe Friemel Sr., son Hubert, Rudolph Friemel and Robert Ponkonien were the guests of Mr. and Mrs. Joe Smith of Rosebud Sunday.

Wm. Kohring and family were Sunday dinner guests of Mr. and Mrs. Adolph Sitz of Hamilton.

Edgar Sitz and several other young people had the misfortune of wrecking Mr. Sitz's car Saturday night while driving in full speed and hitting another car that was parked without any light. No one was injured.

Mr. and Mrs. Otto Kelm Sr. and family, Rev. and Mrs. R. Kalkbrenner, Mr. and Mrs. P. L. Bergum, Mr. and Mrs. Paul Baring and Mr. and Mrs. George Boeker were all Sunday din-

ner visitors of Mr. and Mrs. C. A. Boeker.

Walter Sitz and Max Cotte were Cameron business visitors Thursday.

Mrs. Louise Lorenz, daughters, Celia and Meta and Charles Friemel and wife were visitors of Mr. and Mrs. A. W. Boecker and family Thursday night.

Walter Kosel and wife enjoyed the show at Cameron Saturday night.

A group of young people of our community enjoyed the dance at Skeezix Saturday night.

Meta Beth Humbles And Narvie Caperton Married In Cameron

The marriage of Miss Meta Beth Humbles, daughter of Mr. and Mrs. S. H. Humbles and Narvie Caperton, son of P. L. Caperton, was solemnized in Marlin Saturday afternoon with Rev. S. D. Dollahite, pastor of the First Baptist church, saying the ceremony. The couple remained in Marlin Saturday night, the guests of M. C. Caperton, a cousin of the groom, and returned here Sunday.

Mrs. Caperton was honored Monday afternoon with a miscellaneous shower given by Miss Don Harris at her home at four o'clock. Fortune telling furnished pleasant diversion and at a late hour the hostess served punch and cake. The bride was the recipient of many useful gifts.

CARD OF THANKS

We take this method in thanking our many white friends for their kindness shown us during the sickness and death of our dear mother, Esther Plummer. Also for the beautiful floral offerings.

Respectfully signed,
A. B. Smilie, daughter
James C. Etherly, grandson.

THE STATE OF TEXAS,

County of Milam.
To those indebted to or holding claims against the estate of Joseph A. Hosch, deceased:

The undersigned having been duly appointed administrator of the estate of Joseph A. Hosch, deceased, late of Milam County, Texas, by Jeff T. Kemp, Judge of the County Court of said County, on the 6th day of August, A. D., 1929, during a regular term thereof, hereby notifies of persons indebted to said estate to come forth and make settlement, and those having claims against said estate to present them to him within the time prescribed by law at his residence in Cameron, Milam County, Texas, where he receives his mail.

Witness my hand this 4th day of September, A. D., 1929.

B. J. MATOCHA,
Administrator of the Estate of
Joseph A. Hosch, deceased.

THE STATE OF TEXAS

and County of Milam

To Harvey Pendleton, E. L. Pendleton, George Hall and Virginia Hall, all unknown owners and all persons owning or having or claiming any interest in the land or lots hereinafter described, the same being delinquent to the State of Texas and County of Milam for taxes and the same lying and being situated in the County of Milam, City of Cameron, and State of Texas, to-wit:

Being lot No. 4 in block No. 3, subdivision 'B' of the Henderson and Arnold Addition to the town of Cameron Texas, and being 203 feet in depth and 100 feet in width, save and except 67 feet and 8 inches by 100 feet off of the South end of said lot which said property is delinquent to the City of Cameron, Texas, for taxes for the years 1927 and 1928 aggregating the sum of \$21.76, including interest, penalties and costs, said taxes having been legally levied, assessed and rendered against said land and lots and

the same being a lawful charge and constituting a prior lien against the same in favor of the City of Cameron, Texas, to secure the payment thereof.

And you are hereby commanded to be and appear before the Honorable District Court of Milam County, Texas, at the next regular term thereof, to be held at the Courthouse of said County, in the city of Cameron on the 2nd Monday in November, A. D. 1929, the same being the 11th day of November, A. D. 1929, then and there to show cause why judgment should not be rendered against you and the said land and lots sold under foreclosure of said lien to satisfy said taxes, interest, penalties and costs, and all court costs; all of which together with other and further relief, general and special, being fully set out and prayed for in the plaintiff's original petition filed in said court on the 4th day of September, and appearing on the docket thereof as suit No. 123, wherein the City of Cameron, Texas is plaintiff and Harvey Pendleton, E. L. Pendleton, George Hall, Virginia Hall, all unknown owners and all persons owning or having or claiming any interest in said land or lots, defendants.

Given under my hand and seal of said Court, at office in the City of Cameron, Texas, in the County of Milam, this 4th day of September A. D. 1929.

PENN WOLF, Clerk,
Dist. Court, Milam Co., Tex.

NO "PEP," SLUGGISH

Constipation Troubles Relieved
By Help of Thedford's Black-Draught, Says Tennessee Coal Miner.

Tracy City, Tenn.—"My work makes it necessary for me to use a medicine which will give quick relief from constipation and indigestion," says Mr. Lee Nunley, a well-known coal miner of this place.

"For forty years or more," he says, "I have taken Black-Draught for these troubles, and have always found it reliable. At times, I suffer from bad spells of indigestion, following constipation."

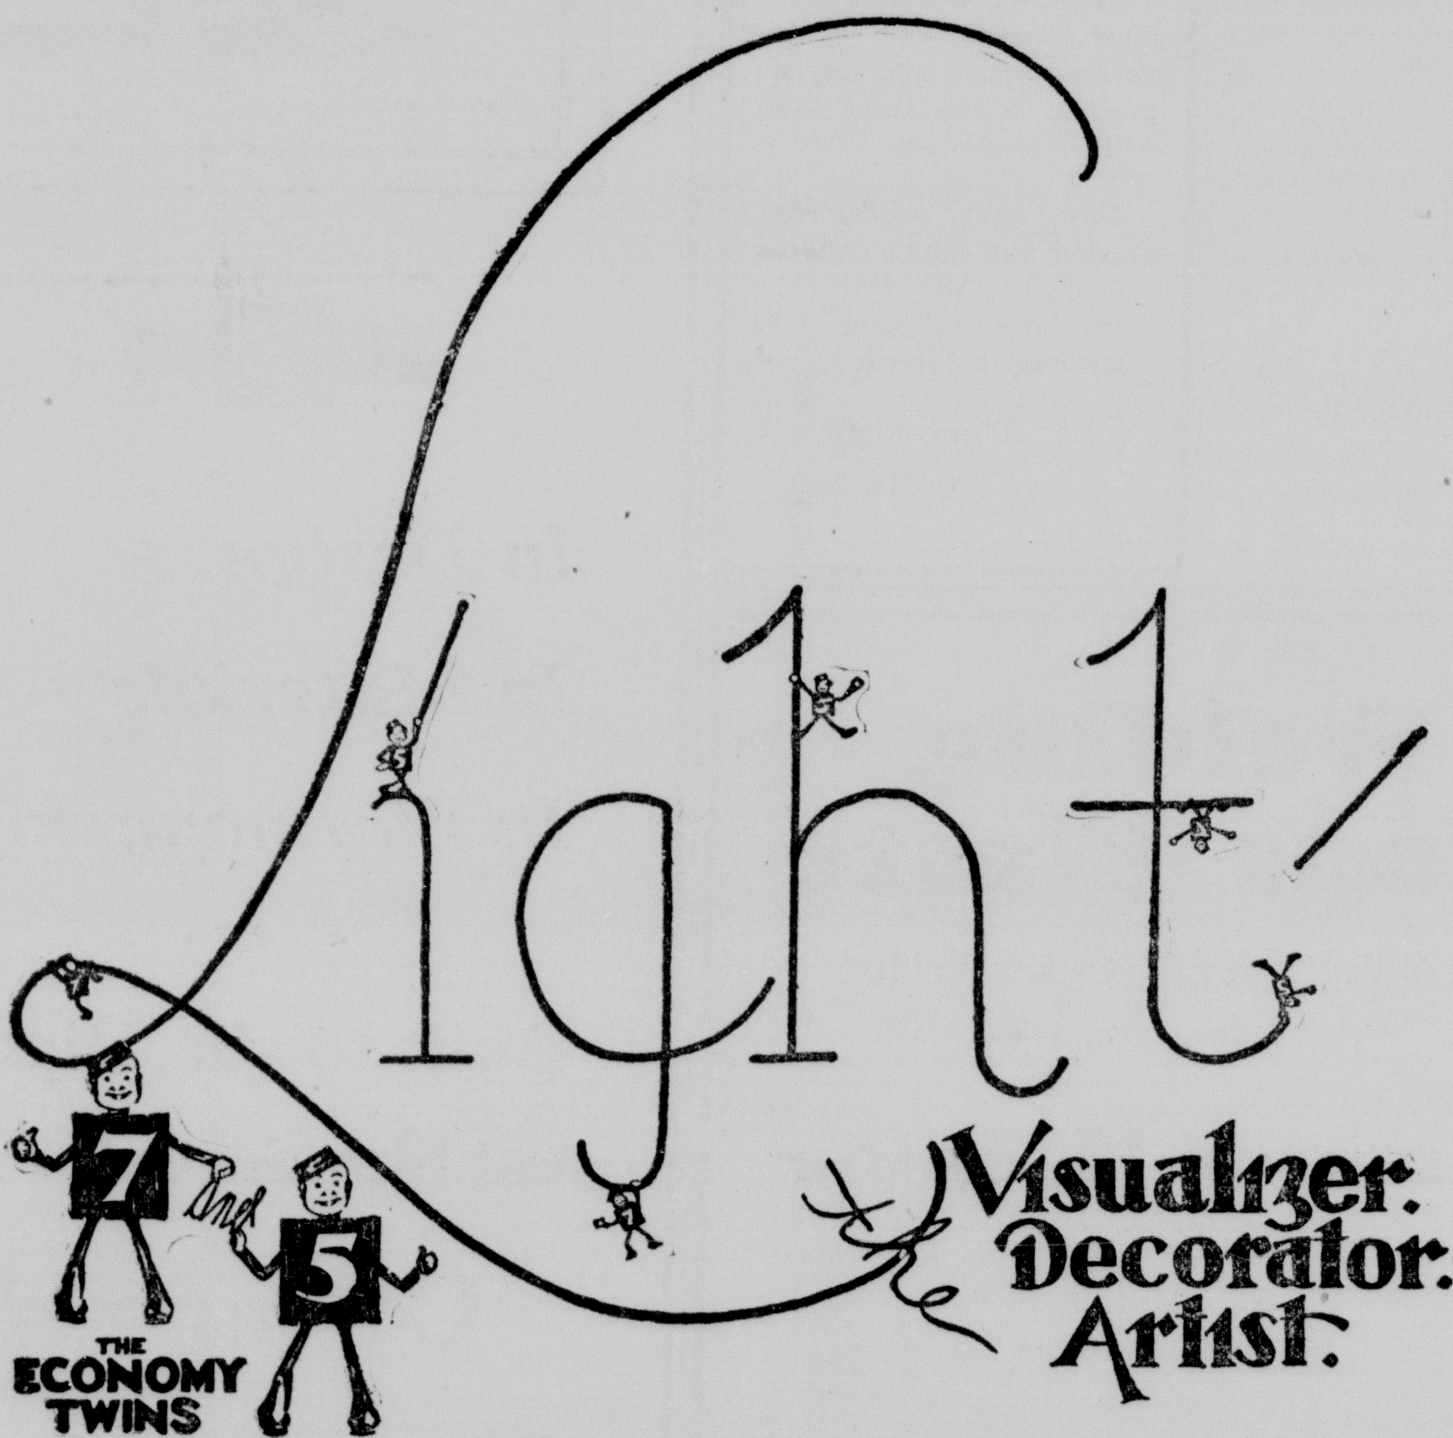

"Many years ago, a friend told me to try Black-Draught, as it was a vegetable remedy and would not harm my body, so that is how I came to use it. I make a tea of it, and take a sip of it after meals. I soon begin to feel better when I start this treatment."

"My work is very confining, and my color gets bad and I get sluggish. I lose my 'pep' and don't feel like going. After I take a course of Black-Draught I feel fine again."

Manufacture of Thedford's Black-Draught began nearly 100 years ago, and many people tell of having taken it all their lives when in need of a laxative or cathartic.

Refuse imitations and substitutes. Get the yellow package bearing the name "Thedford's." NC-209

Thedford's BLACK-DRAUGHT
For Constipation,
Indigestion, Biliousness

Possibly the greatest contribution which has been made to modern civilization is the electric light. It has turned night into day, increased the efficiency of man's work, made possible comfortable and healthful hours of reading as far into the night as man has felt the urge to follow his studies or his pleasures.

The modern Texas home is a palace of light. Through the use of proper light the simplest home becomes a shrine of beauty. Light is a decorator and an artist.

The home with light, properly located and rightly diffused, is made comfortable, healthful and beautiful with very little expense. Simple furnishings, simple decorations take on new qualities when given the proper lighting background.

The Texas Power & Light Company has made a special study of lighting for the modern home and would be glad to work with you in giving your home the best possible lighting arrangement at the lowest possible cost.

When you have really given serious thought to the lighting possibilities of your home you will be delighted with the changes that can be economically made.

Texas Power & Light Company
"Your Electric Servant"

MAYSFIELD

Little Herbert Massengale, son of Mr. and Mrs. Hubert Massengale has been real sick this week end, having a sore throat and considerable fever, but is improved at this writing.

Mrs. Thomas Linam and son, Thomas, left Sunday afternoon for Caddo where Mrs. Linam will be a member of the faculty and Thomas a student.

Rev. R. L. Nicholson preached both morning and evening at Hoyte, last Sunday. He was accompanied by Hoyte by his little daughter, Ruby.

Mr. and Mrs. Floyd and children visited in the home of Mrs. Massengale Sunday afternoon.

Mrs. R. L. Nicholson enjoyed spending the day after Sunday school with Mrs. Laura Butler and Misses Mary and Bertha Kelso.

Miss Oleta Elliott of Buckholts, spent the week end with Miss Bertha Floyd.

Mr. and Mrs. Ruff Miller are the proud parents of a fine baby girl who they have named Vida Mae.

Mr. and Mrs. Floyd Phipps announce the birth of a baby boy, whose name is Denson.

Oscar Brooks and Mrs. Bertha West of Rockdale were married last Friday in Ardmore, Oklahoma. They returned to Maysfield Sunday and will make their home in Rockdale.

Mr. Robert and Miss Agnes Harber and Mr. Roy Douty, with some other young folk from Franklin visited friends and relatives in our community Sunday.

The young people enjoyed a social in the home of Mr. and Mrs. Hubert Atkinson Thursday evening. Delicious refreshments were served by the hostess.

A call meeting of the Ladies Aid was held in the home of Mrs. H. L. Yager Wednesday afternoon, Oct. 2, in order to rush the work being done by the Society and get it finished in time for the bazaar.

Mrs. H. L. Atkinson made a pleasant call at the manse Monday afternoon.

Misses Nell Massengale and Yeager both of whom are in training as nurses at the Cameron hospital spent Sunday with Miss Massengale's parents, Mr. and Mrs. Al Massengale.

Maysfield 4-H Club

The 4-H girls met Friday, September 27, at the school house. Miss Bartholomew gave us a talk on gardens and dews and our home improvement article, the towel.

Young People at Church

The Senior Christian Endeavor met Sunday night, Sept. 28 and rendered a Missionary Program with Miss Mildred Massengale as leader. Although only 11 were present much interest was shown and the society met Tuesday night to prepare a special program that they intend to give Sunday evening, October 6.

Miss Mildred Ditto who is staying with her grand parents, Mr. and Mrs. Gus Ditto and attending school here spent the week end with her parents in Belmena.

Mrs. Jim Frances and Mrs. Roy Newton were Cameron visitors Saturday.

Those attending the party in the home of Mrs. Hubert Atkinson, Thursday evening were Misses Bertha Floyd Ada Lee Massengale, Mildred and

Prayer service Wednesday evening at 7:30 P. M.
Joel B. Hardigree, Pastor.

Tyler Telegraphy
Course Offers Big Opportunities

Please read the letter reproduced below. It is from the Employment Manager of the Western Union Telegraph Company.

Tyler, Tex., Feb. 20, 1929.
Tyler Commercial College,
Tyler, Texas.
Gentlemen:

The Western Union Telegraph Company is greatly in need now, possibly more so than ever before, of well trained Morse Telegraph Operators. Especially are we in need of well trained young men who possess executive ability.

Only neat appearing young people who have finished High School and

above can be used. We must carefully consider each applicant's personal appearance, personality and their ability to meet and deal intelligently with the public.

You should make every effort to enroll in your Telegraph and Western Union Department every young man prospective student you have, possessing the above qualifications. There is a great opportunity now with our company for such young men. At all times, we are greatly in need of such employees.

We have carefully observed the work of the graduates of your Telegraph Department. We have in our employ now numbers of your graduates. As a whole, their work has been very satisfactory. Your Telegraph Department is in the hands of excellent management and the work is taught in a most thorough manner. You will do us a favor to enroll in this department any young man especially who can measure up to the above requirements.

Very truly yours,
H. M. Gresham, Mgr.,
Western Union Telegraph Co.
We offer a most thorough course that will prepare you for an excellent position. Every graduate can be placed promptly when the course has been completed. The average time to finish the course in only six months and the cost of the complete course is very reasonable.

If interested, send the coupon below for our catalogue, 'Achieving Success in Business,' and write for full particulars. There is no obligation on your part. Mail the coupon now.

CARD OF THANKS

In this sad experience for us we remember with grateful appreciation the many acts of kindness and words of sympathy spoken to us. The darkness that surrounds us in this our almost unbearable grief we feel the heartbeat of friends and they tell us the sun shines again, though we cannot see our way out of the loss we have sustained. In hours like this nothing brings us relief but we feel the comforting power of sympathetic friends and neighbors who helped us. We especially appreciate the flowers

and the words of sympathy and all acts of kindness of whatever nature that came to us during the sad hour and the death of our beloved daughter, sister and mother, Mrs. Oralee Wade.

"Do you mean to tell me you could not see me coming on a straight piece of road like this?" said the owner of the very small car after the collision. "Sorry, guv'nor," said the lorry-driver, thought you were a fly on me windshield."

He, 'Do you care for dancing?'
She, 'No.'
He, 'Why not?'
She, 'It's merely hugging set to music.'
He, 'Well, what is there about that you don't like.'
She, 'The music.'

'For Sale — Peerless Brougham, owned and driven by lady with streamline body and lots of pep.'

A colonel in the U. S. Army Dental Corps had the following conversation with his five year old daughter at luncheon one day.

Nancy, 'Daddy, I have a lower tooth that's loose, when are you going to take me to the office and pull it?'
Daddy, 'Oh, some day when it gets real loose.'
Nancy, 'Well, Daddy, when I loose all my lowers and higher I'll be just like my grandma when she goes to bed at night.'

What Lubrication is to Machinery.. Firestone Gum-Dipping is to tires.....

AS THE film of oil prevents friction of metal parts, so does the film of rubber surrounding every fiber and strand of Firestone cord, protect it against heat and friction within the cord itself due to continual flexing.

☛ The Firestone patented process of Gum-Dipping represents the greatest achievement in tire building. By

thus saturating and insulating the cord fiber with liquid rubber, thousands of additional miles of service have been built into Firestone Tires.

☛ This means that you get most mileage for least money — with greatest safety, comfort and satisfaction — when you equip your car with Firestones.

Mr. and Mrs. A. B. Richards and family were in a car wreck Saturday afternoon but none were badly hurt.

Mr. and Mrs. Jake Richards and son and Dock Chestine were visiting Mr. and Mrs. A. B. Richards Sunday.

Mr. and Mrs. Lee Fuller and family were visiting in Cameron Sunday.

Mr. and Mrs. Sam Dobbs of Yarrleton visited their parents, Mr. and Mrs. Rob Fuller.

Mr. and Mrs. Andy Richardson and family visited relatives in Maysfield Sunday afternoon.

Obie Richardson is spending the week at Maysfield with relatives.

Mr. and Mrs. Grady Allen and daughter, Mr. and Mrs. Allen, Mr. Hurry and daughter, Mrs. Hendrix and daughter spent the afternoon with Mr. and Mrs. A. B. Richards.

Earl Armstrong, Homer Fuller, Miss Gladys Hurry and Miss Opal Hendrix spent Sunday afternoon motoring around.

Mr. and Mrs. Dell Fuller and family spent Sunday evening with Mr. and Mrs. Rob Fuller.

Jack Richards and Miss Flossie Hurry made a business trip to Cameron Sunday morning.

Mr. and Mrs. Hubert McDonald is spending a few days in West Texas with relatives.

Hubert Richards and Dock Chistine motored to Yarrleton Sunday afternoon.

METHODIST CHURCH

Rally Day
 Next Sunday is Rally Day in all departments in the Methodist church. Sunday School teachers will meet their new classes and the classes will meet their new teachers. Everybody should be here and on time at 9:45. The eleven o'clock service will also partake of the Rally Day spirit. The pastor will administer the Holy Communion, babes will be dedicated to the Lord, new members will be received and the Communion address will be short. Every member of the church and the Sunday School is asked to be present and partake of the Communion.

At the night service the theme is 'Tuning in on the Infinite.' Come and hear how radio illustrates religion. Good special music. The Leagues will all meet at 6:30. Every League should be well attended.

ALVIN B. GIBSON

The body of Alvin B. Gibson, who died at Brownwood on September 26, was shipped to Milano, his home, and taken charge of by Green Brothers,

who arranged the funeral services. The funeral was held Friday afternoon, September 27 at five o'clock, with Rev. Wardnow of the Methodist church officiating. Interment was in the Milano Cemetery.

Pall bearers were Ross McCollum, Lilburn Anthis, Jewel Hooker, Frank Hooker, Oscar Standard and Hugh Stewart.

EPISCOPAL CHURCH

Sunday, October 6th
 Morning service at 11 o'clock at which time Rev. John Sloan will preach.
 Sunday School at 9:45 A. M.

The practice of radio announcers rehearsing their names and the slogans of their stations appears to be out of all proportion to the demand for this type of information.

We heard the other day of a superstitious man with twelve, who was greatly worried over the prospects of a thirteenth child. His good wife solved the problem, however, by presenting him with twins.

THE STATE OF TEXAS

To the sheriff or any Constable of Milam County—Greeting:
 You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of this notice in the County of Milam, State of Texas, and you shall cause said notice to be printed at least once each week for the period of twenty days exclusive of the first day of publication before the return day hereof:

NOTICE

THE STATE OF TEXAS,
 To all persons interested in the estate of Clara Chappel. Notice is hereby given that George T. Graves, guardian of the estate of Clara Chappel, deceased has filed in the County Court of Milam County, his final account of the condition of the estate of said Clara Chappel, deceased which will be heard by the County Court of Milam County, Texas, at the next regular term thereof, to be begun and holden at the court house in Cam-

eron, on the 7th day of October, 1929. Now, therefore, this is to require all persons interested in the estate of Clara Chappel to appear and contest the same, if they see proper.

Herein fail not, but have you before said court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Given under my hand and seal of office, in the City of Cameron the 4th day of September A. D., 1929.

Attest: Homer Nabours, Clerk
 County Court, Milam Co.
 220-3tc By Meta T. McCown, Deputy

More Than Money

Any real success takes more money than brains.— It takes more than perseverance.

It takes the aid of a strong bank.

This strong bank is always at your service.

Citizens National Bank
 4% ON SAVINGS

The New Essex

Makes and holds its friends not only because of its exceptional merit but because we put behind it a spirit of courtesy and a maintenance system that is almost as good as the car. The interest we take in the customer adds just that much to the desirability of buying here.

The Essex is the best of its kind and that has been proven. Those who have bought cars and tires and other merchandise here know that the service we render is the best also.

The New Essex Super Six is a wonder car. The factory deserves that credit. We cannot build Essex cars here but we have spent days and nights perfecting our service to match it. The Essex owner will testify about the spirit of our business.

CALDWELL, TEXAS

interesting talks on 'Sin' will be given. We invite you to come.

J. F. Williams left Monday for Houston where he was called to the bedside of his sister, Mrs. Hosey. We hope he will find Mrs. Hosey's condition better.

Miss Elouise Thompson of Gause, teacher of the Cook's Point school, spent the week end with her parents, Mr. and Mrs. I. B. Pitts. When she returned to her school Sunday afternoon a number of her friends accompanied her to Cook's Point.

Bro. Tidwell of Franklin and a friend attended the Methodist Sunday school Sunday then Bro. Tidwell delivered the message at the church hour.

Mrs. Joe Denson Is Hostess To Friends

To celebrate the birthdays of Mesdames Watt Skinner and Robert McElroy of Rogers, Mrs. Joe Denson entertained last Friday evening with a dinner party, at which time places were laid for the following: Mr. and Mrs. Skinner, Mr. and Mrs. McElroy, Mr. and Mrs. Wilson Gunn and Mr. and Mrs. Denson.

The table was centered with a huge crystal bowl filled with pink verbenas and resting on a reflector. Novelty Halloween favors were provided for the guests, who were served a three course chicken dinner.

Entre Nous Club Is Organized In Cameron

The Entre Nous Club was organized Monday evening when Miss Jennie Shirley and Miss Enid Reaks were hostesses to a group of their friends at the home of the former.

One game of bridge was played, after which the hostesses served ice cream and cake and Delaware Punch. A business meeting followed and Mrs. Durward Hause was elected president of the new organization and Miss Iva Wilson secretary and treasurer. It was decided that the club should meet on the second and fourth Tuesday evenings of each month.

The members are Misses Jennie Shirley, Enid Reaks, Ima and Iva Wilson, Catherine Lovick, Goldye and Hilda Burke, Mesdames Durward Hause and Millicent Bradford.

Mrs. E. A. Wallace Is Hostess To History Club Tuesday

Members of the Cameron History Club held their initial meeting of the season on Tuesday afternoon, Sept. 24, at the home of Mrs. E. A. Wallace. The new officers, Mrs. Graham Gillis, president and Mrs. Joe Denson, secretary, acted in their new capacities. Roll call was answered with accounts of summer reminiscences. The club members were happy to welcome Mrs. Paul Webb, a former member who has been away for the past year.

The hostess, assisted by Mrs. Dan Collins, served a salad plate. Favors were handpainted ensembles of oak leaves and acorns, the work of the hostess.

Birthday Jubilee For Baptist Women

The ladies of the Baptist church enjoyed their customary fifth Monday Birthday Jubilee at the Sunday school annex last Monday afternoon. Those who have birthdays in October, November and December were hostesses.

Miss Winnie Henderson directed the guests in a number of spirited games, following with a salad plate and iced tea were served. A free-will offering

was taken, as is the usual custom at these meetings.

'I just thought of a good joke.' 'Aw, get your mind off yourself.'

PROBATE NOTICE OF FILING FINAL ACCOUNT

THE STATE OF TEXAS.

To the Sheriff or any Constable of Milam County—Greeting:

You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of this notice in the County of Milam, State of Texas, and you shall cause said notice to be printed at least once each week for the period of twenty days exclusive of the first day of publication before the return day hereof:

NOTICE

THE STATE OF TEXAS.

To all persons interested in the Estate of Billie Daniels, deceased: Notice is hereby given that J. H. Smilie, administrator of said estate, has filed in the County Court of Milam County his final account of the condition of the estate of said Billie Daniels, deceased, which will be heard by the County Court of Milam County, Texas, at the next regular term thereof, to be begun and holden at the court house in Cameron, on the 7th day of

October, 1929, same being the first Monday in October, 1929.

Now, therefore, this is to require all persons interested in said estate to appear and contest the same, if they see proper.

Herein fail not, but have you before said court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Given under my hand and seal of office, in the city of Cameron, the 11th day of September, A. D. 1929.

Attest: Homer Nabours, Clerk, County Court, Milam County.

21-4tc By Meta T. McCown, Deputy.

THE NEW FORD TUDOR SEDAN

\$525

(F. O. B. Detroit, plus charge for freight and delivery. Bumpers and spare tire extra.)

A SMART, good-looking car, yet more than merely smart and good-looking. An economical car to drive because of its low first cost and low cost of up-keep. Built to give you thousands of miles of faithful, uninterrupted service under all conditions and in all kinds of weather.

In other words, you are buying more than beauty, speed, comfort and safety when you buy the new Ford. You are making an INVESTMENT IN RELIABILITY that will save you many dollars a year in repair bills.

Hubert Hefley Motor Co.

Cameron, Texas

Raise the Grade of Your Cotton and You Raise the Price

Sun, rain and soil produce cotton. Whether the grade is high, medium or low depends on conditions—soil, weather, harvesting, boll weevil.

No matter how good your crop is, you can make it worth more money by putting it through

The Hancock Cotton Picker

Actual spinning mill tests show that this famous machine increases the spinning value of every bale put thru it, by untangling and combing the fibres in a way that preserves their natural length and keeps the 'bloom' on. Clean cotton with a large percentage of uniform staple length reduces spinning waste, for which the spinner gladly pays a premium.

For a Larger Cotton Profit this year, try the Murray-Hancock Way. This Gin is equipped to do it.

BATTE'S ROUND BALE GIN

Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of *Chas. H. Fletcher* on the wrapper all these years just to protect the coming generations. Do not be deceived. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

Never attempt to relieve your baby with a remedy that you would use for yourself.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

GENUINE CASTORIA ALWAYS

Bears the Signature of

Chas. H. Fletcher

In Use For Over 30 Years

The Kind You Have Always Bought

THE CENTAUR COMPANY, NEW YORK CITY.

AVOL

Thousands of prescriptions for this remarkable formula were filled by druggists last year, over 20,000 physicians, dentists and welfare nurses recommend and endorse A-Vol as a harmless, safe, rapid relief for pain, depression, fever, cold, flu.

A-Vol stops pain in headaches, neuralgia, dental pain, rheumatism. A-Vol now comes in handy tubes of 12 tablets, 25c, 30 tablets 50c, medicine chest size \$1.00 at any prescription druggist or on receipt of price from A-Vol Co., Holton, Kan.

Contains No Aspirin or Other Heart Depressants.

Headaches! Colds! Neuralgia! Dental Pain!

Texas and Texans

By Will H. Mayes

Texas Business Grows

Although some Texas railroads may not be doing so well as before the introduction of busses and trucks there is no occasion to sympathize with the railroad business as a whole. Statistics show that they are receiving about 23 per cent greater operating income in Texas this year than last year, which is a good showing for the business.

Texans are glad to see the railroads prosper, for it indicates corresponding prosperity for the people of the state. Transportation is a pretty fair index to the conditions of a country.

Another Line Proposed

The proposal to build a line of railroad from Roswell, New Mexico in a southeastern direction through Texas is attracting much attention in the territory under consideration. Uvalde and Sabinal are among the towns that are already offering terminal facilities for the Texas part of the road and doubtless there will be others. The development of West Texas justifies the railroads in extending their lines into that section.

Tourist Camp Industry

The secretary of the Texas Camp Owners' Association says that the 'tourist camp industry is the fastest growing enterprise in the country.' That may or may not be correct, but certainly there has been great development in the industry in the last year or two. Not only are many camps being constructed, but they are being provided with better facilities for entertaining tourists. Some of them are as good as the hotels in the same places and some are said to be even better.

Among the places that have recently completed excellently built and fully equipped camps are Midland, Mineral Wells, Waco, Lubbock, Kent, Abilene, Colorado, Big Springs and Pecos.

Texas Road Building

Texas led the country in road building last year and will lead it again this year. The Texas mileage of improved road construction for 1928 was 2365. Kansas was second with 1783 miles and Arkansas third with 1345 miles.

While Texas is not building permanent highways fast enough to suit some of its people, good roads are being constructed about as fast as they can be built economically. Texas is such a huge state and the road building has to be scattered over such a large area that the many people think but little is being done. However about \$40,000,000 is being spent annually for road building.

Point Isabel Harbor

The United States Army Engineers having given approval to the Point Isabel port project, the \$500,000 bonds vote for the Port Isabel-San Benito Navigation District will be issued to enable the district to meet the Government requirements. The engineers' report favors a turning basin near Point Isabel and recommends an appropriation of \$1,000,000 for dredging and constructing the channel. The Brownsville Navigation District will be given the right to connect its \$2,000,000 project with this channel.

Cactus-Destroying Insects

Australia is trying to find an insect that will help in destroying the vast growth of cactus in parts of that country. The government of the country is spending around \$35,000 a year around Uvalde, Texas, where it has a station experimenting with the 'cactablaustus' insect and shipping it to Australia. Some of the insects are proving effective, but difficulty has been found in getting them acclimated. Clearing ground of cactus growth is a problem in that part of Texas that is its natural habitat.

Milk Plant Project

The Southwest Dairy Products Company has bought 55 acres of land near Sulphur Springs for a \$75,000 milk plant. Five acres of the land will be used for the plant buildings and the remainder of the land for a dairy demonstration farm. Butter, ice cream and condensed milk will be made and farmers will be shown how to obtain the best results from their dairy herds. The demonstration farm feature is rather a new idea, but one that should be generally adopted.

Georgetown Wants Cheese Plant

Round Rock has awakened all the surrounding towns to the value of milk products plants and dairy farming. Williamson county has as rich lands as can be found anywhere, and they are proving too valuable for single-crop cotton production. Round Rock, with its cheese factory, proved this so conclusively that Taylor, close by, has contracted for a big milk plant, and now Georgetown and Austin are hard at work to get factories for manufacturing milk products.

Jumbo Pecan Tree

Although it sounds like a Munchausen tale, San Saba citizens will vouch for the fact that the Jumbo Hollis pecan tree in San Saba county has a record of 1035 pounds of pecans at one bearing. It is estimated that 5,000,000 buds of choice varieties of pecan buds have been shipped from the county to other sections for pecan propagation. More than 100,000 buds have been shipped to California this season.

Comfort Demanded For Riding In Cars Says Hudson Factory

Comfort producing features of lower priced cars have lead the way in crystallizing public opinion of automobile riding qualities. All cars have shown an enormous improvement from a riding standpoint in response to this public demand. Motorists are no longer content to ride around behind so many horsepower.

Cars are lower and springs are softer, but these improvements would not be possible but for improved road conditions over the country. It cannot be denied that on certain types of roads, care has to be taken over the rough spots or the springs will bottom more than they should. But, according to the chassis engineers, why design a car for rough roads when more than 90 per cent of the travel is on smooth roads.

This is very true. It is the direct reverse of the spring suspension situation compared to what it was a few years ago. At that time so much of the travel was over roads that were bad, that if the car were not primarily designed for rough roads it would be generally unsatisfactory. The result was that the fine riding qualities that we have today over the average road did not exist.

Today there are practically no towns in the United States of over 5000 population that are not located on the hard road systems. It is easy to see why the car should be designed for smooth roads. In other words, a greater amount of spring flexibility can be allowed under minor road shocks. When the springs are backed up with good shock absorbing devices that prevent excess jar or recoil under bad conditions, an almost perfect combination exists.

For instance, features not ordinarily found in medium priced cars are standard practice in Essex the Challenger. Starting with the power plant we find the famous super-six principle employed. This involves the balancing, within strict limits, of each working part, thus eliminating at the source, vibrations inherent in any internal combustion engine.

Body construction of a type usually found only in the higher priced cars is used. Seats and back cushions are

extra wide and deep. The springs used in these seats and cushions embody the latest engineering design and assure riding comfort. An exhaustive research was conducted by Hudson engineers to determine com-

fortable seat posture and this research resulted in the adoption of adjustable seats that provide an easy ride for the passenger though he be tall or short.

In the chassis, splayed springs of

extra length and strength make for easy riding over even the roughest roads, and this riding ease is further controlled and enhanced by the use of hydraulic shock absorbers of an efficient type.

NOTICE FARMERS!

We have recently installed a six cylinder HANCOCK BOLLY MACHINE which will give you MIDDLING COTTON from good bright Snapped Cotton. It will also raise the grade of Picked Cotton from one to two grades.

Be sure to see our display in First National Bank and the Cameron State Bank with actual sample from a bolly bale of cotton.

Bring us your BOLLIES. We will buy them in the seed or gun them for you. We pay the highest market prices for each kind.

SAVE MONEY

Ownership of a Pontiac Big Six is an experience in economy. True, most people choose Pontiac, not because it is so inexpensive, but because of the many big car advantages which it provides. But it is a fact that with a Pontiac you actually save money. You save—

When You Buy . . . When You Drive . . . When You Trade It In

You save when you buy a Pontiac because it is the lowest-priced car ever produced which offers so many advantages. You save when you drive because, according to a large corporation which employed 996 cars of 33 different makes during 1928, Pontiac costs one cent less per mile to operate than any other low-priced six. You save when you trade it in because the demand for used Pontiacs has always exceeded the available supply. Con in to see and drive the car which offers all these advantages.

PONTIAC BIG SIX

PRODUCT OF GENERAL MOTORS

Pontiac Big Six, \$745 to \$895, f. o. b. Pontiac, Mich., plus delivery charges. Bumpers, spring covers and Lovejoy shock absorbers regular equipment at slight extra cost. General Motors Time Payment Plan available at minimum rate.

Consider the delivered price as well as the list (f. o. b.) price when comparing automobile values. . . . Oakland-Pontiac delivered prices include only authorized charges for freight and delivery and the charge for any additional accessories or financing desired.

All About Strange Man He Cures and Kills \$200,000,000 Too Much Aiming at Ford

Man is a strange animal. David Bernstein, Brooklyn tailor, deliberately killed a man against whom he held no grudge, pushing him off an elevated railroad platform in Brooklyn. No one saw him. He confessed to the police.

Insane, probably.

The lawmaking machinery of New York decided to kill Frank Piaia in the electric chair. Acute appendicitis threatened the electric chair program. A good surgeon, hired at public expense, restored Piaia to the death house. 'Out of kindness' he is allowed to play cards with his partner in crime, Michael Sciafoni, a wall separating them.

Strange uses of science, killing men by electricity, saving their lives by surgery that the electricity may kill them, treating them kindly while waiting for the chair.

A cat does no worse with its mouse.

Earth's 1,800,000,000 people are not QUITE CIVILIZED YET.

Further details concerning the massacre of 3000 Mohammedans by Chinese in Kansu province show that the human race has still some distance to travel.

Of late Mohammedans had been murdering Chinese. Then came famine, most desperate, among the Mohammedans, who were invited by Chinese officials to come to Taichow for a conference, with promises of roasted barley.

When they came, men from fifteen to fifty were separated from the women, taken outside the walls and '3000 of them butchered like sheep.' When they saw that they were to be killed the Mohammedans asked no mercy.

After the famine the Mohammedans will doubtless murder ten or twenty Chinese for each Mohammedan killed in the massacre.

So it goes among human beings most cruel and blood-thirsty of all animals.

The senate approves, 46 to 31, the amendments to the tariff bill forbidding 'Americans with factories abroad to send foreign-made articles into this country under an American trademark.' Formerly goods manufactured abroad and entered with an American trademark could be brought in with the consent of the trade-mark owner.

The idea is said to be aimed at Henry Ford's tractor factory in Ireland, according to Senator Reed, and that is 'a movement to transfer American-owned factories abroad to lower labor costs.

Henry Ford may easily manufacture his tractors in America. He did that before, until he needed the Dearborn tractor factory for his new car.

For the information of the tractor industry, it may be mentioned that Henry Ford before long will produce a new kind of tractor, made here in America.

Senator Borah says that President Hoover 'must go through to the end and assume responsibility for the tariff.' That new view of the President's duty interests Mr. Hoover and the people.

The old idea was that congress should write the laws, the President approve or veto them, the Supreme court interpret them.

Mr. Mussolini would agree with Senator Borah's suggestion.

French scientists at La Rochelle say the sunfish is, intellectually, the most stupid of all animals. Its eye is five inches in diameter, its brain measures only two-thirds of an inch in diameter. And the fish weighs 662 pounds.

A full brother of that sunfish is the American pacifist, who believes that this country can make itself safe and help the cause of peace by remaining unarmed.

Ask the fat sunfish what happens when a thin, hungry shark comes along. This country is a very fat goldfish.

Uncle Sam collected from his nephews this year \$200,000,000 more than he needs. President Hoover and Secretary Mellon are said to agree that income taxes can safely be cut.

It is said that collecting the income tax is costing the government \$500,000,000 a year, which seems a great deal. It should be possible to find a better system.

Human beings are gradually approaching an escape from this small earth, to which we once thought our selves tied 'until death do us part.'

As serious scientists were discussing flying twenty-five years ago, so scientists in Germany are now discussing trips to the moon by rocket.

It is necessary to start with power enough to escape the earth's gravita-

MRS. EUGENE WADE DIES FROM GUNSHOT WOUNDS

MOTHER IS SLAIN AND FATHER CHARGED WITH MURDER IN KILLING MONDAY

Mrs. Eugene Wade, 40, mother of five children, died at about 3:40 o'clock Monday afternoon September 30, 1929 from a gunshot wound in the right thigh inflicted at the home of her brother in Cameron shortly after two o'clock. She was removed to the Cameron hospital in an ambulance shortly after the shooting but the wound was of such a nature that surgeons could not save her life.

Eugene Wade, husband of the dead mother, was taken to the hospital shortly after the shooting in an ambulance with his throat slashed with a razor, said to have been self-inflicted. Surgeons were able to save his life and it was said this morning that unless complications ensue he will survive.

According to District Attorney Jack Lewis, charges of murder have been filed against Wade and Sheriff Blaylock has assigned two deputies to guard Wade who is now in the hospital recovering from his wound.

An inquest was held by Justice J. M. Ralston over the body of Mrs. Wade in the funeral home of Coleman and Eplen Monday afternoon.

According to information obtained through officers, Dorris Wade, daughter was an eye witness to the tragedy and that Wade who is an engineer at the American Round Bale Cotton Gin owned by R. L. Batte in Cameron, went to the home of Atwood Devers, brother of Mrs. Wade where the shooting occurred. It is said that one shot was fired, the bullet taking effect in the right thigh. Loss of blood caused her death. She is said to have run from the home, falling to the ground twice on her way to a nearby home. Wade is said to have slashed his throat with a razor and was found in the home lying on the floor and removed to the hospital where surgeons began a battle to save his life. No investigation has been made to determine as yet the cause of the trouble, but murder charges have been filed against Wade.

As soon as he recovers sufficiently he will be removed to the county jail according to the office of the sheriff. Funeral services for Mrs. Wade were held at the First Christian church on Tuesday afternoon with interment in the Salem cemetery.

The September quarterly meeting of the County Council took advantage of the Annual Teachers' Institute, Friday, September 27, and participated in the Institute program from two to three o'clock on that day.

At three o'clock the Council's business session was held. Mrs. E. P. Survant, President, presiding. The resignation of Mrs. J. H. Thomas as treasurer was accepted with regret. Mrs. Thomas has moved from this county. Mr. Monroe Walker of Friendship was elected to fill the unexpired term as treasurer of the County Council. An appropriation necessary for traveling expenses of the president and secretary, as delegates to the State Meeting of Parent-Teachers Associations, at Waco, November 18 to 21 was voted at this time.

Another interesting action on the part of the Council was the motion that the Council's Health Committee, Mrs. Albert Hettig, chairman, conduct the sale of Christmas Seals in Milam County this year. This will mean, in case the proceeds amount to \$500, that 60 per cent will be retained for our own county's health work. The motion was unanimously carried.

The invitation extended by Hoyt's representative was accepted, and the January meeting of the County Council will be held in the Hoyt community.

Among those people from out of town attending the funeral of J. H. Arledge Friday afternoon were a brother, C. L. Arledge of Taylor and his daughter, and three sisters, Mrs. M. A. Brymer of Taylor and Mrs. Bal-
lew and Mrs. Rogers of Georgetown.

J. H. Arledge, Age 69 Buried Walker's Creek

J. H. Arledge, aged 69 years, died at his home near Hoyte on September 26. The body of the pioneer was brought to Cameron and taken to the home of his nephew, H. R. Dobbins where it remained until Friday afternoon at four o'clock when funeral services were held.

The services were conducted by Rev. E. S. Hutcherson of the First Baptist church with interment in the Walker's Creek Cemetery. He is survived by his widow and one sister, Mrs. E. J. Dobbins who resides in Cameron with her niece, Mrs. C. Collier.

COMMERCIAL CLUB IN ELECTION OF OFFICERS

F. E. JACKSON IS NAMED PRESIDENT AND DIRECTORS ARE ELECTED ON MONDAY

The annual meeting of the Cameron Commercial Club was held Monday night with election of officers and directors for the ensuing term. The following officers and directors were named:

F. E. Jackson, president; J. D. Dobbins, vice president; John C. Young, second vice president; W. O. Newton, treasurer. Directors W. E. Gaither, J. C. Tucker, George T. Graves, Wm. Cobb, T. S. Henderson, Jr., Giles L. Avriett, Ben Reichert, F. S. Lesovsky, Dr. James Watson, F. J. Beckerman, E. S. Hutcherson and W. R. Hoover.

The meeting was not only the occasion for the election of officers and directors but also the annual banquet. The meeting was held in the basement of the First Methodist church.

S. C. Hogg, power sales engineer for the Texas Power and Light Company delivered the principal address of the evening. T. S. Henderson spoke on the subject of good roads.

Tom H. Tuttle Writes Mother of Trip To Ithaca, New York

Tom H. Tuttle, son of Mrs. Fannie Tuttle in Cameron who is now in Ithaca, New York to complete his studies and to get his degree has written a letter of interest to his mother telling of his trip.

Part of the trip was made by water and the following extracts are taken from his letter.

'We came through a little storm at sea and all of the people but a few—I was one of the few—got very sea sick. My little room mate, a boy going to the University of Penn., had to stay in bed almost all of the way. I suppose I am a good sailor as the ship went through the worst storm of its four years afloat and yet I didn't miss a meal. The ship flew clear of the water about three times and when the propellers didn't hit a thing as they spun around I have never felt such a shaking. I enjoyed the whole thing, for I had been hoping for a little storm. It blew so hard that no one could stay on foot when they were on deck—and the people—the few of them—who went to meals staggered like they were drunk.'

'Of all the beautiful places I have ever seen Florida has them all bested. As we drove about over the cities of Miami, Miami Beach and Coral Gables I longed for you. I wish I had the money to take you to that place. I don't see how the flowers in the Garden of Eden could have been more beautiful.'

'While in Florida I saw the home of the former Mr. Deering—famous for his plows and palm machinery—and I am sure no palace is finer. It is located on 200 acres of land which contain all the tropical plants known to man. It was built at a cost of seventeen million dollars and the house cost over seven million. He kept 16 servants. The bath tubs are of mother of pearl and are trimmed in gold, and there are 20 of them—just think when he died all he had to carry away was what they buried him in. I love pretty things but this is too much, why should one build as though he expected to live forever. I don't suppose any one wants to live in the place now and a big estate has it in charge.'

John A. Green Funeral Will Be Held Friday

Funeral services for John A. Green, 53, will be held Friday afternoon, October 4, 1929, at the residence on North Travis street with interment in the Oak Hill Cemetery.

Mr. Green died at the family residence in Cameron at 2:25 o'clock Wednesday morning October 2, 1929 from typhoid fever. The funeral is being delayed for the arrival of relatives.

Dr. W. R. Minter of Austin will conduct the services.

Mr. Green was born in Cameron on March 30, 1876, the son of Mr. and Mrs. George Green, pioneer citizens. At a young age he moved from Cameron 30 years ago. He returned to this city about two years ago and has made his home here since. He was a member of the Baptist church.

He is survived by his widow and seven children as follows: Mrs. Geo. Antrim of Cheyenne, Wyoming; Miss Helen Green of Dallas, Misses Lucille and Ruth Green of Cameron; George Green of Cheyenne, Wyoming; Jack Green of Seattle, Washington; Walter Green of Port Angeles, Washington; and three sisters, Mrs. George McGehee, and Mrs. S. M. Burns of Cameron; and Mrs. M. M. Kemp of Waco.

Babe Schindler To Play at Skeezix

Babe Schindler and his Syncopators are to play at Skeezix tomorrow night. This announcement will please all dance lovers who have ever heard them. This orchestra is one of the best orchestras in Texas and Mr. Camm is fortunate in securing them.

PARENT TEACHERS IN SESSION HERE FRIDAY

JOINT MEETING WITH TEACHER INSTITUTE PROVES PROFITABLE GATHERING

The County Council of the Parent-Teacher Association in business session last Friday afternoon decided that the health committee of the council should have charge of the annual sale of Red Cross Christmas seals. If the sale of these seals amounts to as much as or more than \$500.00, 60 per cent of the total may be kept by the county and the remainder sent to headquarters of the Texas Public Health Association which is affiliated with the National Tuberculosis Association. The County Council has been interested for some time in the project of employing a county health nurse. Several months ago petitions were sent to the various precincts of the county to be signed by the voters with the idea of ultimately presenting them to the Commissioners Court. A committee was named at the meeting Friday to go before this court at the next meeting with these petitions.

Other business matters attended to included the election of Mr. Monroe Walker, principal of the school at Friendship, as treasurer of the County Council to succeed Mrs. John Henry Thomas, formerly of Gause, who has moved to another county, and the urging of each Association in the county to send delegates to the State Congress of Mothers, which is to convene at Waco, November 18-21. The County Council as a body voted to send as its representatives its president, Mrs. E. P. Survant of Thorndale, and its secretary, Mrs. Ben Atkinson of Cameron.

The meeting of the County Council was an all day affair in conjunction with the Teachers Institute. The members visited the Institute sessions during the morning, at noon they were entertained at lunch at the Ada Henderson cafeteria by the Cameron P. T. A., and in the afternoon a program was heard prior to the business session. Mrs. E. O. Seike of Bryan, district president of P. T. A., was to have addressed the meeting, but she was unable to attend because of injuries received in an automobile wreck. Her absence interesting talks were heard from Mr. Miles, superintendent of the Rockdale schools, who spoke on the value of the P. T. A. organization, and Mrs. Robinson, principal of the school at Branchville, who discussed the relationship between teachers and parents. Mrs. J. P. Love spoke of the work of the local P. T. A., and explained the progress of plans for employing a county nurse. She urged the cooperation of the teachers and the various organizations. Mrs. Robbins, county superintendent, encouraged P. T. A. organization of Parent-Teacher Associations in all the schools.

John A. Green Funeral Will Be Held Friday

Funeral services for John A. Green, 53, will be held Friday afternoon, October 4, 1929, at the residence on North Travis street with interment in the Oak Hill Cemetery.

'Lure of the City' Friday Evening

Lovers of good entertainment are to have a real treat in Cameron on Friday night, October 4 when the T. N. T. Club of this city presents 'The Lure of the City' at the Yoe High School Auditorium.

The play is being presented by the Thespians of Temple under the auspices of the T. N. T. Club of Cameron. This play has been presented in a number of Texas towns and is one of the best productions of the year. The local club members invite the people to attend this play at the Auditorium on Friday night. The play will begin at 7:45 P. M.

LIFE TERM FOR YOUTH WHO SLEW GROCERYMAN

ANTONIO HERNANDEZ PLEADS GUILTY AND TAKES LIFE IN TEXAS PRISON

Antonio Hernandez on plea of guilty for the murder of Josef Pavalak here on July 30, 1929 was given a life sentence in the Texas State prison in District Court here Tuesday.

When the case was called for trial attorneys representing Hernandez from San Antonio entered a plea of not guilty. A jury was impaneled and the case proceeded. Later in the course of the trial a plea of guilty was entered by the defendant and the jury assessed the punishment at life in the state prison.

Josef Pavalak, aged groceryman was beaten to death with a hammer as he sat in his store on the afternoon of July 30, 1929. The store was robbed of a considerable sum of money and a pistol taken. The Mexican was arrested in the late afternoon of that day on the Maysfield road by Sheriff Blaylock and deputies.

Geo. A. Thomas & Sons Store Here Robbed

A quantity of watches valued at about \$700 was stolen from the Geo. A. Thomas and Sons drug store on the night of September 30 when thieves entered the store supposed through a transom from the front of the building.

The robbery was not discovered until the afternoon of October 1. A list of the missing watches was furnished to Sheriff L. L. Blaylock and the officers have been working on the case.

On the same night 11 cases of cigarettes were stolen from the freight depot of the Southern Pacific railroad and the sheriff is also working on this case. He is being assisted by Detective Martin of the railroad company.

Mr. Blaylock is offering a reward of \$100 for the recovering of the watches taken from the Thomas Drug Store or a sufficient amount to convict the person or persons guilty. In the case of the theft from the railroad company the sheriff offers a reward of \$50 on the same terms.

W. R. Hoover Attending Legion Convention In Louisville, Kentucky

W. R. Hoover, agent here for the Gulf Refining Company, is in Louisville, Kentucky, this week attending the American Legion Convention and to represent the Texas department along with a large number of Legionnaires who are attending from the Lone Star State.

Mr. Hoover expects to return to the city within a few days.

Delphian Chapter Meets Tuesday

With Mrs. Joe Denson as leader, members of the Delphian Chapter met Tuesday afternoon at the Ada Henderson school at 3:30 o'clock. The resume of the last lesson was given by Mrs. T. A. Fisher, the preparatory discussion by Mrs. Denson and then the following topics were heard:

The Catacombs, Mrs. A. H. Baskin. Basilican churches, Mrs. W. R. Newton.

Byzantine churches, Mrs. Howard Baskin.

The Romanesque, Mrs. Niley Smith. Gothic churches, Mrs. John A. Smith. Church decoration, Mrs. J. W. Coleman.

The Rise of Universities, Mrs. E. A. Flinn.

A general discussion followed the reports. Mrs. E. A. Flinn will be leader at the next meeting.

Ray Casey and Cliff Pickens of Bryan were Cameron visitors Sunday.

YOEMEN BEGIN SEASON IN CAMERON FRIDAY

ROSEBUD TO OPPOSE CAMERON IN FIRST GRID GAME ON HOME GROUNDS

The 1929 football season for the Cameron Yoemen will officially begin on Cameron Friday afternoon October 4 at 4 p. m., when the team meets the Rosebud eleven on the high school athletic field.

Coach Perkins and Assistant Coach Strickland have been putting the Yoemen through vigorous training in preparation for the game to open the season on Friday. The squad this year is said to be unusually strong, a team that merits the united support of all Cameron and it is expected that a large crowd will be on the field when the referee calls the teams to the grid.

The scoring machine the coaches have built up is centering around some powerful backs in Boots Smith and Ralph Keith while Captain Stach at tackle is playing a scintillating game.

The Rosebud team this year is also strong and the game here Friday is expected to be one of the best of the season. The showing of the Yoemen against Temple is a real encouragement for the season and to the coaches.

The people of Cameron are urged to attend and to give the team all possible support in this opening game as well as the remainder of the season schedule.

Rev. C. O. Williamson To Preach At First Presbyterian Church

The Herald has been requested to announce that Rev. C. O. Williamson will preach at the Presbyterian church in Cameron Sunday at the morning and evening hours.

Rev. Williamson is a member of the faculty at the Seminary in Austin and in charge of the Department of Spanish.

The membership is requested to attend the services and the people generally are invited.

WILL C. BRISCOE BURIED IN CAMERON WEDNESDAY

DIES IN SAN FRANCISCO AND BODY RETURNED TO CAMERON FOR INTERMENT

Funeral services for Will C. Briscoe who died at San Francisco, Calif., September 27, were held from the home of his sister-in-law, Mrs. Mamie Arnold Hefley, Wednesday afternoon at 3:30 o'clock, with Rev. P. T. Ramsey of the Methodist church officiating. Music was furnished by a choir of voices from the Methodist church and Miss Katherine Ramsey sang 'Lead Kindly Light,' as a solo.

Mr. Briscoe who was 60 years old was born at Canton, Mo. He was married in 1900 at Colorado Springs, Colo., to Miss Myrtle Arnold. They had one child, Isabelle, who died at the age of nine years, and was buried at Oak Hill Cemetery, Cameron. Mr. Briscoe was a member of the Baptist church and served as superintendent of the Sunday School for several years at Colorado Springs. He and his wife have lived in the west for some years.

Besides his wife, he is survived by one brother, R. S. Briscoe of San Francisco.

The body arrived in Cameron on the Southern Pacific Wednesday morning and was taken in charge by Coleman and Eplen, who had charge of arrangements. Pall bearers were Penn Wolf, Dr. Tom Denson, J. C. Hardy, J. C. Joseph, R. P. Jeter and G. T. Moore.

A New Calendar

Sentiment in the United States seems to be in favor of reforming the calendar now being used, according to a report of the National Committee on Calendar Simplification.

This committee has just concluded a year's investigation of this subject and out of 1433 organizations which replied to the question regarding a new calendar, 1154 favored a modification of the present system. Inasmuch as this is more than 80 per cent in favor of a change, it would seem that there is no considerable opposition to calendar reform.

On the present calendar there are 12 months, varying in length from 28 to 31 days. Any particular day of any month differs each year in the day of the week upon which it will fall. The proposed change is to have a calendar of 13 months, each 28 days which would take 364 days and would leave an extra day. This day would be placed at the end of the calendar as an additional holiday.

Under this plan the first day of every month would be Sunday and the last would be Saturday, so that it would be comparatively simple to keep straight the days of the week any special date would fall.

The idea is to have the world adopt this calendar generally so as to do away with the present confusion due to the fact that so many different calendars are in use in different parts of the world. The American Committee has been acting in co-operation with a committee of the League of Nations. In this way it is hoped that a changed calendar can be agreed upon and put in use throughout the entire world.

It sometimes takes a lot of crust to get a piece of political pie.

Every age has praised its mothers and criticized its daughters.—Chancellor Lindley, University of Kansas.

Visiting Teachers Guests At Country Club Reception

Milam County teachers attending the Institute last Thursday and Friday were guests Thursday evening at a reception given in their honor at the Cameron Country Club. In the receiving line were Mrs. K. K. Robbins, county superintendent, Mr. T. A. Fisher, superintendent of city schools, Mr. W. L. Hughes, professor of rural education at A. & M. College and former president of the State Teachers Association, Miss Leland Watkins, rural supervisor in Dallas county, Mr. R. M. Wood, Sam Houston State Teachers College and Mrs. Shad, principal of the school at Milano.

Following a grand march in which all the guests participated, the following program was introduced by Miss Ethel Jenkins: Piano solo, Mrs. A. C. Strickland; Puppet show by boys and girls of the seventh grade under the direction of Mrs. Jenkins; vocal solo, Mrs. Arthur Lee; reading, Miss Sallie Coleman; violin solo, Mr. Arthur Lee.

MRS. ORALEE WADE IS BURIED SALEM TUESDAY

MOTHER WHO MET TRAGIC DEATH LAID TO REST IN CEMETERY NEAR CAMERON

Funeral services for Mrs. Oralee Wade who died here Monday afternoon September 30, 1929 as a result of a gunshot wound, were held Tuesday afternoon, October 1, 1929 at the First Christian church in Cameron at four o'clock with Rev. J. Hardigree, pastor, conducting the services, assisted by Rev. Arthur A. Hyde, former pastor and evangelist for the church.

The funeral service, the large crowd attending, was a tribute to the dead mother who had worshipped as a member of that church for years and had endeared herself to hundreds by her example of Christian living. Friends came to fill the church and overflow the surrounding site to pay their respects to her. The great casket was banked with flowers, tender and fragrant testimonials of esteem from the wide circle of friends who knew and loved her. A choir of mixed voices from the church sang softly and with great melody the favorite songs of the church. A special musical number was a solo by Miss Bess DuBois.

In the funeral address Rev. Hardigree paid a splendid tribute to the deceased mother, dwelling at length upon her character and service in the church. It was a most impressive tribute finding echo in the hearts of those who came for the funeral service.

Rev. Hardigree in his sermon spoke in part as follows:

'We stand in the presence of death to express our appreciation of life. We all enjoy living, but the sacred presence of death gives new value to life.

'Death is not a thing to be dreaded tho it may come by slow process of disease or shock us as a flash of unexpected lightning from a clear sky. It is a most glorious thing, coming a time to release us from physical pain or mental anguish that the world does not know of and need not know. Yes, at its worst, death is a release from the bounds of a prison life, with its chains of flesh and blood to that abundant life of an eternal spirit. The death is the golden gate to life.

We owe a sacred tribute to this departed Christian mother, which can not be paid by any expression in word nor in the sacred and reverent silence of this home, but must be paid in lives consecrated and dedicated to that holy appreciation of motherhood that will make all mothers safe in this fair city that we love. This may be done by sustaining our moral and civil laws in that one effective method of enforcement, personal observance and public education. Obey all law and teach all to respect the integrity of government.

We speak in a spirit of humility and with a heart of mercy when we say no person should be allowed to take advantage of the fevered brain and nervous hand of the unfortunate of our community and state. Sustain and enforce the law and save home and mother.

Children, as we think of your dear mother's life, it is as entering 'The Flower Garden of God,' to gather a basket of flowers.

We gather the full blown rose kissed with the fragrance of the morning dew, a perfect expression of mother love.

We pluck the lily, pure and white, the virtue of a true Christian mother. We tenderly reach for the violet and think of loyalty to home even in hours of distress and grief. Now let us gather Forget-me-nots and Heart's Ease for treasures to be placed in life's memory book and transplanted into the soil of other souls that the virtues of your mother may live ever a fresh in your own lives and midst.

She has left you a sacred heritage, and in appreciation let us turn from the scene of death, sacred death, to life and the glory of living. May the richest benedictions of heaven and the spirit of your mother hover over you through life. Amen.

Mrs. Wade was born in Milam county on April 6, 1889. She became a Christian at the early age of 15 years and united with the church to which she had remained loyal and faithful through the years. On June 20, 1906 she was married to Mr. Eugene Wade and to them were born seven children, two of whom, Jesse and Eugene died in infancy.

Her devotion to her children was a beautiful characteristic and the inspiration of her life will be a blessing in memory to guide and hold them. She is survived by the following children: Mable Wade, Lorene Wade, Dorris Wade, Gena Wade and David Wade. Others who survive her are her husband, Eugene Wade; Mrs. J. H. Devers, her mother; one sister, Mrs. W. B. Lee of San Marcos; four brothers, Atwood Devers of Cameron, J. B. Devers of Brenham, Ray Devers of Ennis and Claude Devers of Corpus Christi.

the landscape s the children, torn by their grief and hundreds of friends stood by the open grave to pay their last tribute, remembering her always as a gentle and loving mother and a friend to mankind.

The following were pallbearers: Dow Eplen, Bennie Archer, Bert Nicholson, J. C. Brashear, W. D. Faver and Jim Neinst.

THE CANDLE OF LIFE

Slowly but surely the candle of life burns. There is important work to be done before the flame flickers.

It is a delicate thing—the flame of the candle—like the thread of human life; a gust of wind, a quick or unexpected movement, and all is darkness.

This delicate candle flame lights your loved ones along life's pathway. Without it's illuminating guidance they would stumble in the darkness. So the unalterable march of life moves on. The scythe of time takes its daily toll and the candle of life that we loved so dearly in this world will shine the brighter in the great beyond.

DIES IN MISSISSIPPI

E. A. Denson of Harleston, Mississippi, died at his home there Wednesday morning. News of the death was received in Cameron. He was a brother of Dr. T. J. and John L. Denson of Cameron.

A Note of Nobility

Lady Constance (to decorator), 'Have I not ordered the hangings and draperies of my boudoir to be in blood color, and here I find them in blue?' 'Ah, but is not milady a blue-blood?'

She, 'Did you ever see a robin pull so hard on a worm that he pulled it in two?'

He, 'No, but I should think the worm would feel bad.'

She, 'He did. He broke under the strain and the bird was quite upset.'

Mrs. John Moseley and daughter, Regina, visited in Thorndale last week end.

Miss Catherine Atkinson, who is teaching at Giddings, was at home last week end.

Mrs. R. H. McIntosh and daughter Miss Catherine McIntosh, visited relatives in San Antonio last week.

Mr. and Mrs. Knox Tyson of San Antonio were guests last week end of Mr. and Mrs. T. S. Henderson Sr.

Word was received Wednesday morning by Dr. J. L. and Dr. Tom Denson of the death of their brother Dr. E. A. Denson at Harlston, Miss. He had been in ill health for some time.

R. H. Waters of Alice was a recent guest in the R. H. McIntosh home. Mr. Waters has large business interests around Burlington.

Misses Mary Lake and Winnie Henderson and Mrs. Hazel Burke of Washington, D. C., spent last week end in Austin.

The Cameron Parent-Teachers Association will have its regular monthly meeting next Thursday afternoon at 3:30 o'clock at the Yoe High school library. The subject for the afternoon will be Home Activity, there will be a playlet presented by school pupils under the direction of Miss Ethel Jenkins, and Miss Jenkins and Mrs. R. L. Batte will give interesting discussions.

Mrs. George Antrim and George Green of Cheyenne, Wyoming, are expected to arrive Friday to be present at the funeral of their father, John A. Green.

Mr. and Mrs. H. C. Copenhaver of Wharton were Cameron visitors Tuesday. Mr. Copenhaver, who is secretary of the Chamber of Commerce at Wharton, addressed the Lions Club at their weekly luncheon.

Mrs. Annie Reese and children are moving to Waco this week. One daughter, Miss Oleta Reese, is a student at Baylor University.

Living Room Tour For W. H. D. Clubs On October 17

The County Council of Women's Home Demonstration Clubs has planned a tour for the members of the seven different clubs of Milam county. They will visit some of the living rooms in different parts of the county, which have been improved during the past two years through our club work.

The purpose of this tour is to create more interest and enthusiasm in the Living Room Improvement Contest. We hope to have some contestants for 1930. The homes of both of our county winners in 1928 will be visited on this trip. It will be a benefit as well as a pleasure for all; for we feel that after seeing what some women have done, others will want to do also.

The following program has been planned for Thursday, October 17: All meet in Cameron at Post office building at 9 A. M.

9:00-9:15—Visit home of Mrs. John Watson.

9:15-9:30—At furniture store.

9:30-10:00—Go to Maysfield.

10:00-10:25—With Mrs. Newton.

10:25-11:30—To Bryant Station.

11:30-12:00—Mrs. Guido Gersbach.

12:00-1:00—Picnic lunch.

1:00-1:30—Mrs. Will Schwartz.

1:30-2:00—Mrs. J. L. Modesette.

The Rudder and Elmore poultry farms will be visited also, which will be of much interest to the club members.

The lunch will consist of foods that will be easily prepared and served, such as sandwiches, stuffed eggs, pickles, potato chips, weiners, small cakes and doughnuts, coffee and water.

We urge that the arrangement committees from each club please see that all members who can be present on this trip.

THE STATE OF TEXAS,

County of Milam,
To those indebted to or holding claims against the estate of Joseph A. Hosch, deceased:

The undersigned having been duly appointed administrator of the estate of Joseph A. Hosch, deceased, late of Milam County, Texas, by Jeff T. Kemp, Judge of the County Court of said County, on the 6th day of August, A. D. 1929, during a regular term thereof, hereby notifies of persons indebted to said estate to come forth and make settlement, and those having claims against said estate to present them to him within the time prescribed by law at his residence in Cameron, Milam County, Texas, where he receives his mail.

Witness my hand this the 4th day of September, A. D. 1929.

B. J. MATOCHA,

Administrator of the Estate of 20-4tc Joseph A. Hosch, deceased

Jay House has defied the law. Now if the law believes in enforcing the law, they should have him in jail. But, let a less than an ordinary pig citizen do as Jay says he does and he would be in jail right now.

What's the use of doorbells any more, the horns on the cars seem to be answering the purpose pretty well.

CREAM SUPPER

There will be an ice cream supper at Pin Oak School house Saturday night, October 5.

England is closing some of her penitentiaries while the U. S. is building new ones to accommodate the crowds. The U. S. makes laws to make men good (?). We do not know how England does it.

'Are you a clock watcher?' asked the employer of the candidate for a job.

'No; I don't like inside work,' replied the applicant, 'I'm a whistle listener.'

The congressmen are out looking after their forces and gathering hokum for their relief. Everybody is asking relief but no one is satisfied with what they get.

Odd Powers Attributed

to Gems in Ages Past

While in modern times the value of jewels depends on their use as ornaments and their employment in certain optical and other instruments, the ancients attached a far different significance to them. In their minds gems were endowed with gifts of spiritual and material power and were credited with the ability to cure diseases, avert trouble and drive away the demons, which harassed the imaginations of people of early and medieval times. This conception gave rise to the wearing of amulets, the presiding genius of one's fate being easily carried about in the form of a precious stone.

These ideas, now so ridiculous to us, had their origin in the philosophy of India and are related to the belief in the transmigration of the soul. It was believed that the soul which, at death, had not reached a state of absolute purity, had to undergo various transmigrations until it became purified, and that consequently it entered into plants, animals and even mineral bodies in the process. Therefore, gems were considered living beings. Being of incomparable physical purity, they were regarded as the highest expression of natural perfection, and hence upposed to possess talismanic and other powerful properties.—Exchange.

Historic Buildings in

Finnish Town of Turku

Turku was Finland's first capital. Christianity was first taught there, and the first Christian converts were baptized in the River Aura. The oldest cathedral and the oldest castle in Finland are to be found in Turku, and nearly all the historic homes of the Finnish nobility are in or near the city.

With the exception of the cathedral and the castle, modern Turku has been built since the disastrous fire of 1827, when the old town was almost entirely destroyed in a blaze that burned for five days. Both the castle and the cathedral are grim structures with little exterior ornament. The cathedral has a long, narrow vaulted interior and most of the immense treasure which was once kept there has disappeared.

Part of the castle is now a museum and is furnished with pieces of old Finnish furniture. Visitors can still see the dungeon, six fathoms deep and black as pitch, where prisoners were kept. In the great central hall is a high gallery from which a cruel ruler once had unruly subjects hurled to the floor below. One cell in the castle is still known as the malefactor's resting place.—National Geographic Society Bulletin.

No Need to Reckon Years

The numbering of years is a man-made artificiality, having little to do with the soul or the mind or the heart. An old anecdote of Napoleon tells of his conversation with a Hungarian officer who said he had fought in the army of Maria Theresa.

"You must be old," said Napoleon. "Yes," said the officer, "I am sixty or seventy."

"Why, colonel," said the emperor, "you have certainly lived long enough to know how to count the years a little more closely."

"General," was the man's reply, "I reckon my money, my shirts, and my horses; but as for my years, I know that nobody will want to steal them, and that I shall never lose one of them."—Boston Herald.

Broad Hint

A business man who has just become engaged to be married is a good hearted fellow and popular with his staff; his only drawback from his point of view being that he has no idea of time dictating letters just as everybody is packing up to go home.

As a wedding present they bought him a clock.

It was a fine clock, but it had one defect. It had no hands. In thanking them for the gift, he called attention to this fact.

"Oh," said the man who was making the presentation, "you never look at the time, so we got the jeweler to remove them. They were gold, and he took \$5 off the price."

If!

The small boy, aged six, was making a tiny wrenth.

"What is it for?" inquired his mother.

"You know you said you heard a mouse in the pantry?"

"Yes."

"And you know you said you thought of buying a trap?"

"Yes."

"Well, if you buy a trap, and if you catch the mouse, and if they drown the mouse after it is caught, and if the mouse is buried, and if we give it a nice funeral, we shall need a wrenth, shan't we?"

"For the Use of the House"

Three-year-old Billy's mother, being particular that he should not annoy the neighbors, would not permit him to go into their house unless on special invitation. So Billy was especially delighted when he was permitted to spend the whole morning with the ten-year-old boy next door, who was very fascinating to him in a thoroughly "grown-up" way. When he got ready to go home, he summoned all his manners. "Thank you for the house," he said, gratefully.

CAMERON BUSINESS

WOMEN TO TEMPLE

TEMPLE CLUB GIVES BANQUET AT KYLE HOTEL THERE TUESDAY NIGHT

In response to an invitation from the Temple Business and Professional Women's Club, a number of the Cameron B. & P. W. Club motored to Temple Tuesday evening and attended a delightful banquet given at the Kyle Hotel at 7:30 o'clock.

This was a celebration of their fifth birthday and to hear the report of Miss Daisy Leake, who attended the National Convention this summer. The Temple Club was hostess to the clubs in this district, which contains nine clubs, but only seven had representatives, San Antonio and College Station sending no representatives. The Cameron Club had the largest number of members present among the visiting clubs.

Temple, in keeping with her wonderful record for good old time Southern hospitality, gave a royal greeting to all visitors.

A four course banquet was served in a most attractive style to 145 guests. During the feast a number of delightful piano numbers were given, followed with Pep Club songs led by their leader, Mrs. Lillie B. Brooks.

Dr. Bertha McDavid, president of the Temple Club, introduced Mrs. Besse B. Garth, who was toastmaster of the occasion. During the evening the visiting club presidents were called upon to introduce her members present.

Miss Daisy Leake, past president of the Temple Club, past state president and present second national vice president, having been elected last July at the convention held at Mackinac Island, Michigan, and gave a lovely talk on the convention and said:

"There were twenty-four occupational business tables in round table discussions with from 150 to 350 women of same professions represented from the 56,000 members in the United States."

"While in session at this convention the states voted to start a fund for a National Club Home, to be erected at Washington, D. C., to be called 'The Florence Sands Home' in memory of the late Miss Florence Sands, of Texas, who was outstanding in club work during her life. Another honor for the club women of Texas. Within a few minutes \$25,000 was pledged. Miss Leake pledged \$500 for Texas, which with her fifty clubs will be portioned out \$10 to each club. Cameron will come up one hundred per cent with the other clubs over the state."

While at the National Convention Miss Leake had the honor of giving the response to the welcome address, putting Texas on the map at once in that splendid convention.

During the evening of this lovely affair at Temple, our own Anne Stallworth, State Treasurer, was introduced and received a royal welcome from the visitors.

Later in the evening the huge white birthday cake of the club, which graced the center of the speaker's table, was removed to the mezzine floor in the hotel and cut and served with delicious fruit punch.

The following Cameron members attended this delightful affair: Mesdames Gladys Watson, W. L. Braun, Cora Cammer, S. E. Guthrie, Lottie Bigbee, Nannie Bodiford, Emma Moore, Katherine Robbins, and Misses Lillian Atkinson, Mary Lake Henderson, Willyne Hyde, Jennie Shirley, Enid Reaks, Mollie Moore, Delphya Scott, Katherine Robbins, Leila Woolley, Lucile Butts, Emma Gene McLerran, Carrie and Bessie Marak, Rose Rischar, Anne Stallworth, Annie Woolley, Katherine Lovick and Mrs. Daniel Legacy of Coeur D. Alene, Idaho, guest of her sister, Miss Rischar.

MRS. EULA McMILLAN DIES

Mrs. Eula McMullan Nelson of Houston, formerly of Cameron, died at her home in Houston Monday. Funeral services were held in Rockdale Tuesday. She is survived by her husband and three children of Houston and her parents, Mr. and Mrs. Dave McMullan of Rockdale and several brothers and sisters.

Mrs. E. A. Wallace Is Hostess To History Club Tuesday

Members of the Cameron History Club held their initial meeting of the season on Tuesday afternoon, Sept. 24, at the home of Mrs. E. A. Wallace. The new officers, Mrs. Graham Gilis, president and Mrs. Joe Denson, secretary, acted in their new capacities. Roll call was answered with accounts of summer reminiscences. The club members were happy to welcome Mrs. Paul Webb, a former member who has been away for the past year. The hostess, assisted by Mrs. Dan Collins, served a salad plate. Favors were handpainted ensembles of oak leaves and acorns, the work of the hostess.

Hard to Picture Orient

Without the Date Tree

For untold ages the date has been a staple article of diet in the Orient. It is said that a half-pound of dates and a half-pint of milk make a sufficient meal for a person of sedentary habits. The date needs milk to round out its food balance. An intensely hot climate and plenty of water are necessary for the production of dates. As an old Arabian saying goes: "A date palm must have its head in fire and its feet in water." Some believe that when Adam and Eve lived in the Garden of Eden, they subsisted very largely upon the date. In fact, that part of Mesopotamia which produces to this day the best dates is regarded as the probable site of the Garden of Eden. Archeologists, in making excavations in this region, have uncovered ruins thousands of years old, among which have been found broken sculptures of the date palm, together with references to the use of its fruit as a food. According to an old Arabian story, after God had created Adam, some of the soil clung to His hands and He molded it into a date palm. The leaves were set in a feathery crown at the top the same as He created man. So it is only natural that the palm should be as nearly perfect a tree as Adam was a human being.

Seam of Burning Coal

Keeps Mountain Warm

A unique Australian phenomenon is the "Burning Mountain" at Wingen in northern New South Wales, which scientists say has been on fire 1,000 years.

According to a party of geologists, who have just returned from an exploration of the mountain, says an Associated Press dispatch from Sydney, there lies below the surface a burning coal seam. Long before European settlement in Australia "Burning Mountain" was known to the aborigines, and to them it owes its name, Wingen, signifying "fire."

The geologists report that the summit presents the appearance of the debris of a vast block of buildings consumed by fire with an explosion or two thrown in. Smoke and steam continuously are issuing from different points, and there are numerous deposits of alum and sulphur.

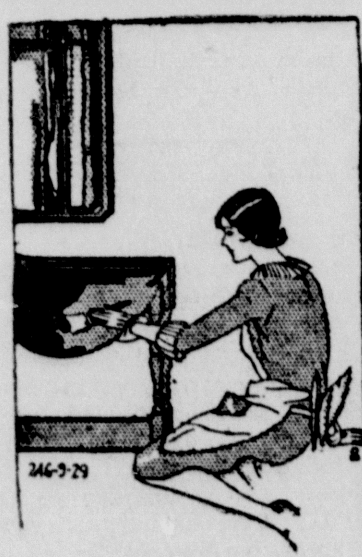

The burning seam probably is 20 feet or more in thickness, say the geologists, and is being consumed at the rate of from 120 to 130 yards each century. The warmth of the mountain in winter time attracts cattle, horses, and wild animals.

Gems Always Desired

Brilliant objects have always inspired man with a passion for their possession, and precious stones have occupied an important position on account of their form and color. The history of gems runs parallel to that of humanity and has been associated with the development of religion and science from the most remote times. Their connection with the church can be traced from the offerings of jewels in temples of the pagan gods to their place by the end of the fifteenth century as the chief possession of the "treasury" of Christian churches.

If the Arabs are kept quiet England will have the job to do. England is respected because she carries a big stick and has a good wallop.

I am one who has never thought it would do the Jews any good to go back to Jerusalem. If we were a Jew, we'd stay in the U. S. A.

DO YOU PAINT?

You need not be a Rembrandt to wield a brush effectively. A can of brilliant-colored B. & B. Gloss-fast is all you need to heighten the charm of attractive furniture. Buy it here!

New Cameron Drug Co.
Cameron, Texas

The Senate is fixing up a tariff scheme to relieve the farmer, but we hereby notify them that there are a lot of farmers who are relieved—they will not have much to do.

If we had as much trouble at our praying place as the Jews, we would quit it and go some other place.

Beggar, 'Kind lady, I was not always like this.'

Lady, 'No, last week it was the other arm that was missing.'

'My 'usbin calls a spade a spade.' 'Well, I wisht he'd call the lawnmower by its right name too.' 'Did you ever go to that telephone girl's house?' 'Oh, yes, after I'd called at the wrong address she gave me.'

Stop, Look Listen

He heard the toot, but tried to scoot. And beat the choo-choo to it.

The poor galute now twangs a lute—Take heed and don't do it.

OAKLAND USES HARDEST MATERIAL MADE BY MAN

PRECISION STEELCUTTING INSTRUMENTS TIPPED WITH CARBOLOY FEATURED

The hardest material ever manufactured commercially by man—a material so hard that it scratches glass like a diamond—now is being used by the Oakland Motor Car Company to provide tips for steel cutting machinery in several precision operations on both the Oakland and Pontiac Sixes.

The material is called carboloy, a tungsten carbide which has none of the properties of steel but which is infinitely harder than the hardest of high-speed steel. Its ingredients are carbon, cobalt and tungsten, the latter being the element from which electric lamp filaments and the contact points of automobile ignition systems are made. While approximately the hardness of a diamond, carboloy is slightly less brittle and therefore does not chip so easily.

Although diamonds the size of a pin-head have been manufactured by subjecting carbon to tremendous heat and tremendous pressure, the cost has proved prohibitive and the artificial diamonds too small to be of commercial value. The manufacture of carboloy also is relatively expensive—it costs \$1 per gram—but only a very small piece is needed, just enough to provide a carboloy tip weighing six to twelve grams on a base of steel. On precision machining, carboloy has proved so extremely efficient that cutting operations may be held within the limits of two ten-thousandths of an inch.

Experiments in the manufacture of carboloy first were made during the War by German scientists seeking a substitute for their blockaded supply of diamonds used in drawing resistance wire. American scientists recently improved upon the German methods of manufacture and succeeded in producing a material equally hard but less brittle than the German product.

An apparent anomaly in connection with use of carboloy at the Oakland-Pontiac plants is the fact that the cutting tools employing this material must be refinished with a much softer abrasive wheel than that used to refinish high-speed steel tools which are not nearly so hard as carboloy. In the language of the factory, the hard refishing wheels 'do not touch' carboloy while the wheels of comparatively soft material do a perfect job of refishing.

CLARKSON

Mrs. Carli and daughter of Port Sullivan were guests in the O. T. Canady home Monday night and Tuesday night.

Mrs. Bell and Luther Bell of Burlington were guests in the John Bell home Monday night.

Paul Brast of Temple was a guest in the Herman Schwarting home Monday night.

Perry Strickler and wife attended the funeral of Mr. Strickler's grandmother at LaGrange Wednesday.

Howard Schwarting and wife enjoyed ice cream with the John Bell family Monday night.

Walter Garrett is driving a new Chevrolet.

Mrs. Herman Schwarting was a guest in the home of her sister, Mrs. Grady Dupree of Reed's Lake, Saturday and Sunday.

Mrs. Newt Canady and children of Jones Prairie were callers in the John Bell home Saturday.

Merle Mitchell, who is attending school in Cameron was at her home with her father, Louie Mitchell over the week end.

Mrs. Lynn Canady and little son were guests in the home of Mrs. Aug. Friemel Saturday.

John Blasienz Jr., and wife of Bryan were visiting relatives in our community over the week end.

Mr. H. W. Sims and Mrs. Sims of near Gulf were callers at the E. F. Campbell home Saturday afternoon.

Joe Friemel Jr., wife and two little daughters were callers at the Joe Friemel Sr., home Thursday night.

Annie Otahal is attending school at Jones Prairie this term.

Henry Schwarting returned from Port Worth Thursday.

Paul Branstreter enjoyed the dance at Skeezix Saturday night.

Jim Hauk and Clara Engbrock were in Cameron Saturday night.

E. F. Campbell and family were shopping in Rosebud Saturday.

Erwin Campbell was the guest of

Marvin Bell Saturday night.

Adolph Schultz and family, Will Kuhn were business visitors in Cameron Friday.

Richard Unterkerchier, who has been visiting his sister, Mrs. Frank Douglas, left for his home near Houston, Friday.

Rodney Fontaine of Jones Prairie was a caller in our community Saturday.

Ivie Canady and family of North Elm and John Murff of Rosebud were Sunday dinner guests in the John Bell home.

Mrs. Willard Keith, Lois and Lorene Brown and Margaret Johnson were callers at the Herman Schwarting home Sunday.

JONES PRAIRIE

By MRS. R. K. FONTAINE

Orvil Canady and family of Clarkson spent Saturday and Sunday at the Canady home here.

Miss Ethel McKinney spent last week in Cameron at her sister's, Mrs. E. A. Flinn.

Thursday and Friday school was closed on account of Institute. Jones Prairie has a new piano this year for the school.

Mrs. W. J. Fontaine and grandson Billie spent Friday afternoon with her brother, C. J. McLerran.

Wm. Bailey spent Sunday in Marlin with his parents.

C. C. Black and family had as guests Sunday Mr. Black's sister and husband of Marlin.

Rev. Skinner preached at Sneed's Chapel the fifth Sunday.

Mrs. Jack Pond and daughter spent last week in Cameron with her sister-in-law, Mrs. Dwight Price.

A good crowd attended prayer meeting at Little River Saturday night.

Rev. McKinney Henderson and bride were guests in the Mrs. Willie McKinney home Sunday.

Mr. and Mrs. Julian Burnett and Mr. and Mrs. Brant Smitherman were callers on Mrs. J. P. Fontaine Sunday who is still quite ill.

Mrs. Wm. Bailey and children were Sunday dinner guests at the Jim Fontaine home.

Miss Ethel McKinney spent Wednesday in Temple with relatives.

Miss Dulce McCall spent the week end with Miss Bill Fontaine.

Dr. and Mrs. W. J. Fontaine and

daughter, Bill and Miss Dulce McCall of Cameron were Friday night supper guests at the Rodney K. Fontaine home, the occasion being Mrs. W. J. Fontaine's birthday.

Miss Maudie Canady spent Saturday night with Nadine Burnett.

Rev. and Mrs. Spradley of Thrall have moved to their daughter's home, Mrs. W. T. Johnson.

Mr. and Mrs. Howard Schwarting were Saturday night supper guests at the R. K. Anderson home.

S. S. Hickman and family motored to Ben Arnold Sunday to take Connie Mae to her school.

Elma Easley spent Saturday afternoon with Roxie Crook.

1,200,000 Chevrolets Sold Since January

Detroit, Oct. 2.—The Chevrolet Motor Company announced here today that more than 1,200,000 of the new six cylinder Chevrolet cars have been placed on the road since the first of the year.

This achievement accomplished in little over nine months, is three times the best showing of any other manufacturer of six cylinder cars in a calendar year and tops Chevrolet's record total for the entire year of 1928.

It is now certain that six cylinder production will set a world record this year, surpassing for the first time in the history of the industry the output of four cylinder cars. This leadership of the sixes will come about chiefly because of Chevrolet's record showing this year.

Chevrolet factory officials declare that the dominating reason back of

the leadership of the six is the public preference for the advantages which this type of construction affords. They point out too that the influence of great volume production, which has enabled the industry to get six cylinder prices down to the lowest on record and has made it possible for Chevrolet through maximum volume to offer six cylinder performance at a price that formerly bought only a four.

With a new yearly record already assured, Chevrolet factories are continuing on the biggest Fall production program ever undertaken by the company. Nine assembly plants and seven large manufacturing plants are facing the busiest final quarter that Chevrolet has ever known.

The heavy Fall factory program was made necessary, it was explained, to bring production up to the level of the demand and make possible quicker deliveries to owners.

A SIX IN THE PRICE RANGE OF THE FOUR

Most people realize that the New Chevrolet is a Six in the price range of the four. But not everyone knows what a really wonderful Six it is!

The Chevrolet engineering staff spent more than four years in the development of the Chevrolet Six. Materials are selected from the world's finest markets and, taken altogether, there are nine thousand inspections during the car's production and assembly!

The result is exactly what you'd expect—quality in design, in material and in workmanship that assures years of dependable and satisfactory service!

Come in today. We want you to see and drive this car—for it will give you a new idea as to what the buyer of a low-priced car can now expect for his money!

The Roadster, \$525; The Phaeton, \$525; The Coach, \$595; The Coupe, \$595; The Sport Coupe, \$645; The Sedan, \$675; The Imperial Sedan, \$695; The Sedan Delivery, \$595; Light Delivery (Chassis only), \$460; 1 1/2 Ton Truck (Chassis only), \$545; 1 1/2 Ton Truck (Chassis with Cab), \$650. All prices f. o. b. factory, Flint, Michigan.

Consider the delivered price as well as the list (f. o. b.) price when comparing automobile values. Our dealers' delivered prices include only authorized charges for freight and delivery, and the charge for any additional accessories or financing desired. (392-30)

FREE! FREE!

This should convince the most skeptical that we have something far superior that enables us to graduate at half the cost and in half the time of others, a more efficient stenographer, secretary, bookkeeper, or accountant.

TUITION FREE

If you will give us the salary you earn in the time we save you over the time required to complete a similar course in a school teaching other systems, we will give you your tuition absolutely free. We do this to prove beyond a shadow of a doubt the wonderful advantages of the Famous Byrne Simplified Shorthand and Practical Bookkeeping, which is taught in the three Byrne Commercial Colleges, Dallas, Houston and San Antonio. They are the only commercial colleges in the state permitted to teach these famous systems, which have trained over 50,000 young men and women. These systems are completed in half the time and at half the cost of others. In addition to the advantages we possess with the Famous Byrne Systems, we have our original method of individual advancement, which means much to the students progress and the thoroughness of his training. Fill in for free catalogue and mail to one of our schools.

Fred Hefti Tells of Trip to Carlsbad and The Wonder Cave

Fred Hefti of Maysfield has just returned from a visit to the Wonder Cave at Carlsbad, New Mexico. He left Maysfield on September 12 and made the trip overland in his car. He tells of his trip in the following words which will be of interest to the people here:

The trip was made overland, from Austin following Highway 20, to Fredericksburg, then Highway 9 to Big Springs, then Highway 1 from Big Springs to Pecos, then Highway 17 to the Texas-New Mexico line. From this point to the cave which is almost fifty miles.

From about twenty miles north of Sterling City to Pecos oil wells and tanks are always in view. Both Big Springs and Midland show growth due to the oil developments.

Crops along these highways vary from poor to good, and the roads are about the same. After passing Big Springs the timber almost disappears.

A description of the cave is almost impossible but the seven mile journey 750 feet underground is a sight, once seen never forgotten. The Big Room, the Green Room, the King's Palace, the Queen's Chamber, all told, there are 88 interesting sights, some of which are the iceberg, estimated weight, 250,000 pounds, American Eagle, Totem Poles, Bottomless Pit, Fluted Curtains, Marble Grapes, Frozen Waterfalls, Frozen Christmas Tree, Texas Trail and Rock of Ages. During 1927 a wedding was held at the base of this formation, the young lady had promised her mother never to marry a man on earth.

The party making the trip from Austin, Texas, where Mr. and Mrs. J. F. Lucksinger and children, Miss Agathen Lucksinger and Mr. Fred Hefti. The distance from Austin and return was 1184 miles.

To Deliver Unsealed Telegrams During Jewish Holidays

Unsealed telegrams will be delivered by the Western Union Telegraph Company during the celebration of Rosch Hashana, the Jewish New Year, which starts at sundown of October 4th, according to an announcement made today by Mrs. George D. Fisher, manager of the local Western Union office. This special service has been provided in order that Orthodox Hebrews may comply with a Mosaic law which prohibits their tearing anything during the holidays.

The exceptionally large volume of greeting telegrams sent during the Jewish New Year celebration has induced the telegraph company to provide special facilities for their transmission this year, as in previous years. Not only will additional operators and messengers be assigned to offices in Jewish sections, but the company has also provided a special Jewish New Year blank and envelope which will be used for all greeting telegrams. In addition a number of suggested phrasings for these messages have been compiled for the convenience of patrons.

The company announced also that it has made provisions for the sending of cabled greetings to European countries. Messages may be sent for as little as \$1.25 to these countries.

BEN ARNOLD

Everyone is invited to attend and enjoy the Carnival and Box Supper at the Vogelsang church Friday night, October 11.

Mr. and Mrs. Fritz Richter and Mr. and Mrs. Oscar Boeker and children of Karnes county are visiting relatives and friends here this week.

Mr. and Mrs. Ed Dahse and daughter, Verna were callers on Mrs. Reimer and family Sunday afternoon.

The Vogelsang school opened Monday, September 30 with Miss Annie Mae Dodson of Rosebud, teaching this term.

We are sorry to report that Newton McKinney, son of Mr. and Mrs. John McKinney was carried to the Cameron hospital last week where he underwent a serious operation of appendicitis.

Mr. and Mrs. Bill Kohring and Nora Kohring motored to McGregor Sunday to visit relatives.

Mr. and Mrs. Charles Friemel, Mr. and Mrs. Ernest Lorenz, Mr. and Mrs. Joe Friemel Sr., son Hubert, Rudolph Friemel and Robert Ponkonien were the guests of Mr. and Mrs. Joe Smith of Rosebud Sunday.

Wm. Kohring and family were Sunday dinner guests of Mr. and Mrs. Adolph Sitz of Hamilton.

Edgar Sitz and several other young people had the misfortune of wrecking Mr. Sitz's car Saturday night while driving in full speed and hitting another car that was parked without any light. No one was injured.

Mr. and Mrs. Otto Kelm Sr., and family, Rev. and Mrs. R. Kalkbrenner, Mr. and Mrs. P. L. Bergum, Mr. and Mrs. Paul Baring and Mr. and Mrs. George Boeker were all Sunday din-

ner visitors of Mr. and Mrs. C. A. Boeker.

Walter Sitz and Max Cotte were Cameron business visitors Thursday.

Mrs. Louise Lorenz, daughters, Celia and Meta and Charles Friemel and wife were visitors of Mr. and Mrs. A. W. Boeker and family Thursday night.

Walter Kosel and wife enjoyed the show at Cameron Saturday night.

A group of young people of our community enjoyed the dance at Skeezix Saturday night.

Meta Beth Humbles And Narvie Caperton Married In Cameron

The marriage of Miss Meta Beth Humbles, daughter of Mr. and Mrs. S. H. Humbles and Narvie Caperton, son of P. L. Caperton, was solemnized in Marlin Saturday afternoon with Rev. S. D. Dollahite, pastor of the First Baptist church, saying the ceremony. The couple remained in Marlin Saturday night, the guests of M. C. Caperton, a cousin of the groom, and returned here Sunday.

Mrs. Caperton was honored Monday afternoon with a miscellaneous shower given by Miss Don Harris at her home at four o'clock. Fortune telling furnished pleasant diversion and at a late hour the hostess served punch and cake. The bride was the recipient of many useful gifts.

CARD OF THANKS

We take this method in thanking our many white friends for their kindness shown us during the sickness and death of our dear mother, Esther Plummer. Also for the beautiful floral offerings.

Respectfully signed,
A. B. Smilie, daughter
James C. Etherly, grandson.

THE STATE OF TEXAS,

County of Milam,
To those indebted to or holding claims against the estate of Joseph A. Hosch, deceased:

The undersigned having been duly appointed administrator of the estate of Joseph A. Hosch, deceased, late of Milam County, Texas, by Jeff T. Kemp, Judge of the County Court of said County, on the 6th day of August, A. D., 1929, during a regular term thereof, hereby notifies of persons indebted to said estate to come forth and make settlement, and those having claims against said estate to present them to him within the time prescribed by law at his residence in Cameron, Milam County, Texas, where he receives his mail.

Witness my hand this 4th day of September, A. D., 1929.

B. J. MATOCHA,
Administrator of the Estate of Joseph A. Hosch, deceased.

THE STATE OF TEXAS

and County of Milam
To Harvey Pendleton, E. L. Pendleton, George Hall and Virginia Hall, all unknown owners and all persons owning or having or claiming any interest in the land or lots hereinafter described, the same being delinquent to the State of Texas and County of Milam for taxes and the same lying and being situated in the County of Milam, City of Cameron, and State of Texas, to-wit:

Being lot No. 4 in block No. 3, subdivision 'B' of the Henderson and Arnold Addition to the town of Cameron Texas, and being 203 feet in depth and 100 feet in width, save and except 67 feet and 8 inches by 100 feet off of the South end of said lot which said property is delinquent to the City of Cameron, Texas, for taxes for the years 1927 and 1928 aggregating the sum of \$21.76, including interest, penalties and costs, said taxes having been legally levied, assessed and rendered against said land and lots and

the same being a lawful charge and constituting a prior lien against the same in favor of the City of Cameron, Texas, to secure the payment thereof.

And you are hereby commanded to be and appear before the Honorable District Court of Milam County, Texas, at the next regular term thereof, to be held at the Courthouse of said County, in the city of Cameron on the 2nd Monday in November, A. D. 1929, the same being the 11th day of November, A. D. 1929, then and there to show cause why judgment should not be rendered against you and the said land and lots sold under foreclosure of said lien to satisfy said taxes, interest, penalties and costs, and all court costs; all of which together with other and further relief, general and special, being fully set out and prayed for in the plaintiff's original petition filed in said court on the 4th day of September, and appearing on the docket thereof as suit No. 123, wherein the City of Cameron, Texas is plaintiff and Harvey Pendleton, E. L. Pendleton, George Hall, Virginia Hall, all unknown owners and all persons owning or having or claiming any interest in said land or lots, defendants.

Given under my hand and seal of said Court, at office in the City of Cameron, Texas, in the County of Milam, this 4th day of September A. D. 1929.

PENN WOLF, Clerk,
20-3tc Dist. Court, Milam Co., Tex.

NO "PEP," SLUGGISH

Constipation Troubles Relieved
By Help of Thedford's Black-Draught, Says Tennessee Coal Miner.

Tracy City, Tenn.—"My work makes it necessary for me to use a medicine which will give quick relief from constipation and indigestion," says Mr. Lee Nunley, a well-known coal miner of this place.

"For forty years or more," he says, "I have taken Black-Draught for these troubles, and have always found it reliable. At times, I suffer from bad spells of indigestion, following constipation.

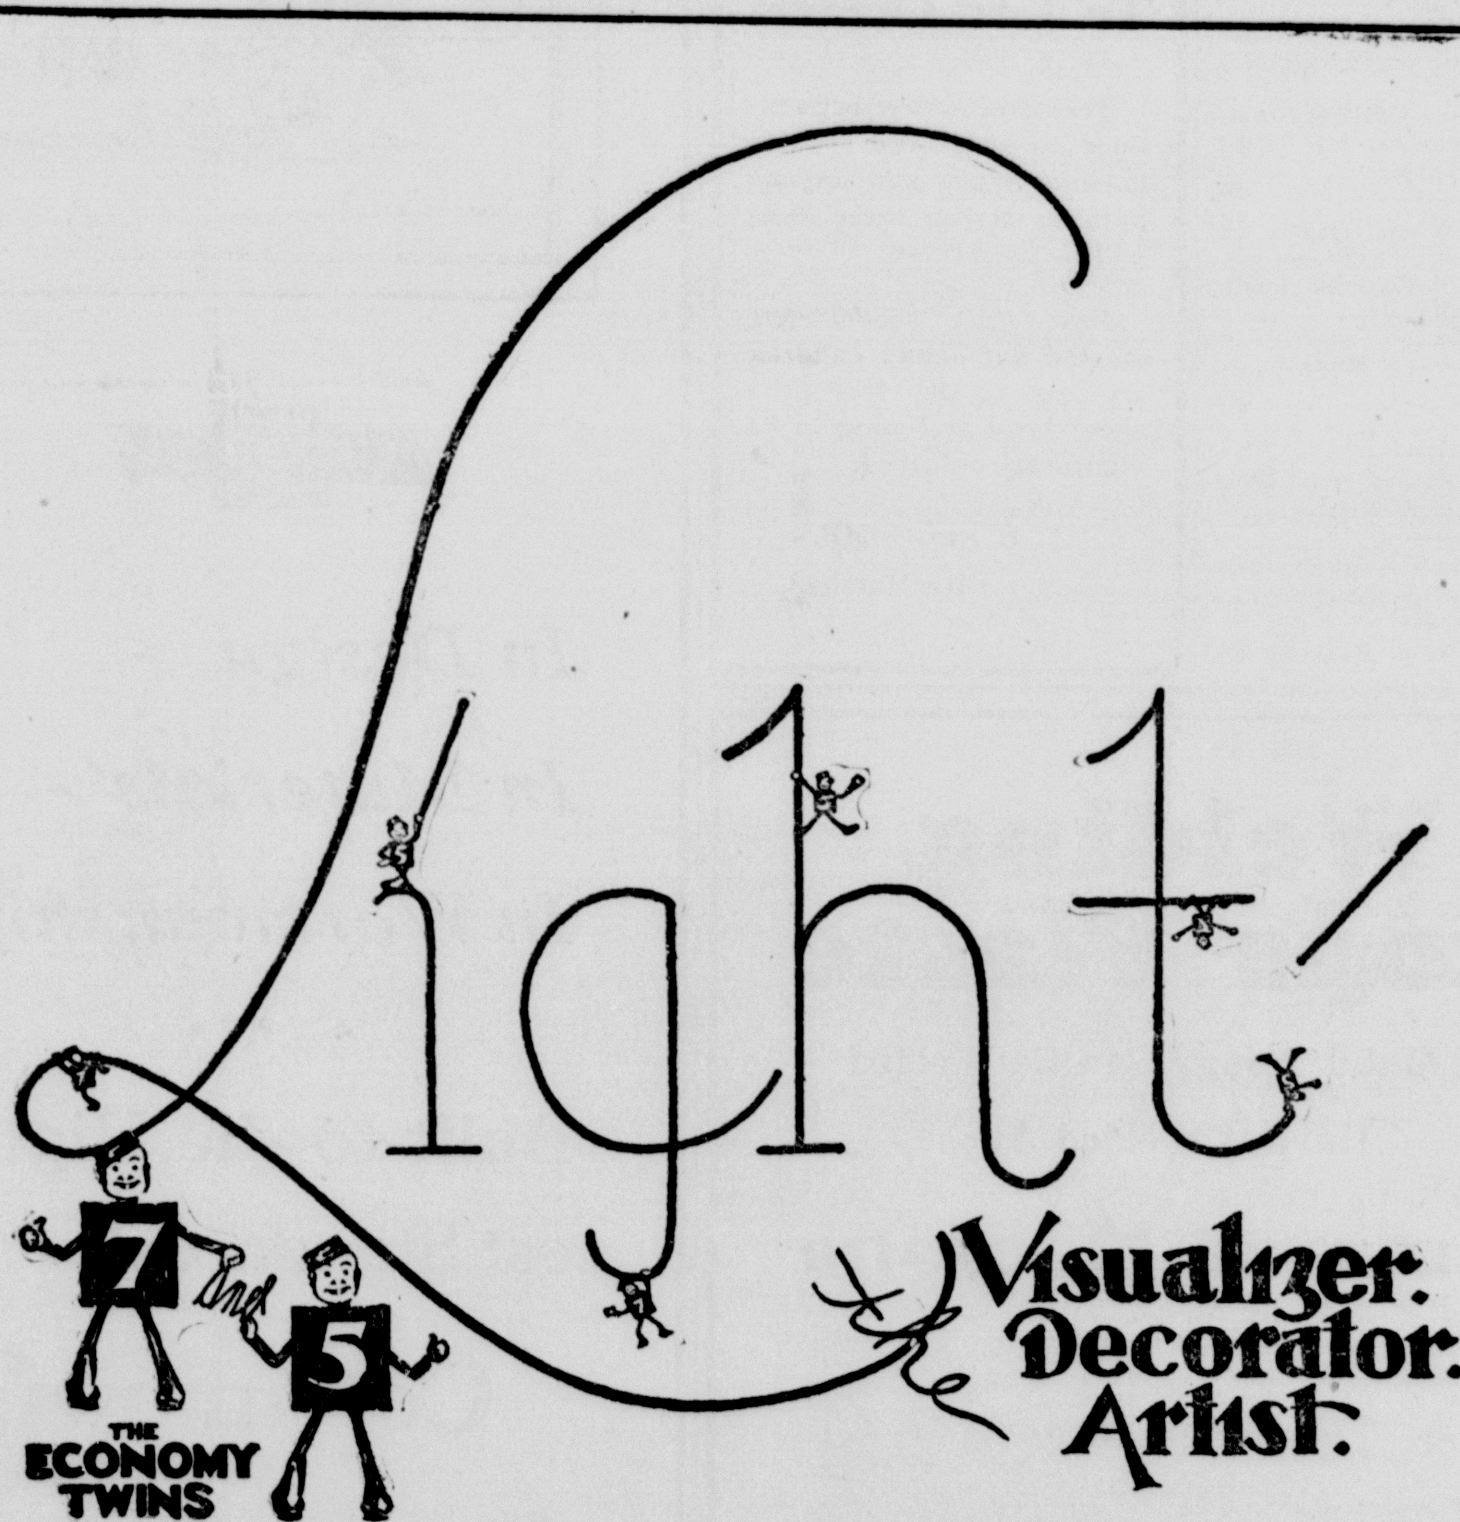

"Many years ago, a friend told me to try Black-Draught, as it was a vegetable remedy and would not harm my body, so that is how I came to use it. I make a tea of it, and take a sip of it after meals. I soon begin to feel better when I start this treatment.

"My work is very confining, and my color gets bad and I get sluggish. I lose my 'pep' and don't feel like going. After I take a course of Black-Draught I feel fine again."

Manufacture of Thedford's Black-Draught began nearly 100 years ago, and many people tell of having taken it all their lives when in need of a laxative or cathartic.

Refuse imitations and substitutes. Get the yellow package bearing the name "Thedford's."

Thedford's BLACK-DRAUGHT
for Constipation
Indigestion Biliousness

Possibly the greatest contribution which has been made to modern civilization is the electric light. It has turned night into day, increased the efficiency of man's work, made possible comfortable and healthful hours of reading as far into the night as man has felt the urge to follow his studies or his pleasures.

The modern Texas home is a palace of light. Through the use of proper light the simplest home becomes a shrine of beauty. Light is a decorator and an artist.

The home with light, properly located and rightly diffused, is made comfortable, healthful and beautiful with very little expense. Simple furnishings, simple decorations take on new qualities when given the proper lighting background.

The Texas Power & Light Company has made a special study of lighting for the modern home and would be glad to work with you in giving your home the best possible lighting arrangement at the lowest possible cost.

When you have really given serious thought to the lighting possibilities of your home you will be delighted with the changes that can be economically made.

Texas Power & Light Company
"Your Electric Servant"

MAYSFIELD

Little Herbert Massengale, son of Mr. and Mrs. Hubert Massengale has been real sick this week end, having a sore throat and considerable fever, but is improved at this writing.

Mrs. Thomas Linam and son, Thomas, left Sunday afternoon for Caddo where Mrs. Linam will be a member of the faculty and Thomas a student.

Rev. R. L. Nicholson preached both morning and evening at Hoyte, last Sunday. He was accompanied to Hoyte by his little daughter, Ruby.

Mr. and Mrs. Floyd and children visited in the home of Mrs. Massengale Sunday afternoon.

Mrs. R. L. Nicholson enjoyed spending the day after Sunday school with Mrs. Laura Butler and Misses Mary and Bertha Kelso.

Miss Oleta Elliott of Buckholts, spent the week end with Miss Bertha Floyd.

Mr. and Mrs. Ruff Miller are the proud parents of a fine baby girl who they have named Vida Mae.

Mr. and Mrs. Floyd Phipps announce the birth of a baby boy, whose name is Denson.

Oscar Brooks and Mrs. Bertha West of Rockdale were married last Friday in Ardmore, Oklahoma. They returned to Maysfield Sunday and will make their home in Rockdale.

Mr. Robert and Miss Agnes Harber and Mr. Roy Douty, with some other young folk from Franklin visited friends and relatives in our community Sunday.

The young people enjoyed a social in the home of Mr. and Mrs. Hubert Atkinson Thursday evening. Delicious refreshments were served by the hostess.

A call meeting of the Ladies Aid was held in the home of Mrs. H. L. Yager Wednesday afternoon, Oct. 2, in order to rush the work being done by the Society and get it finished in time for the bazaar.

Mrs. H. L. Atkinson made a pleasant call at the manse Monday afternoon.

Misses Nell Massengale and Yeager both of whom are in training as nurses at the Cameron hospital spent Sunday with Miss Massengale's parents, Mr. and Mrs. Al Massengale.

Maysfield 4-H Club

The 4-H girls met Friday, September 27, at the school house. Miss Bartholomew gave us a talk on gardens and dens and our home improvement article, the towel.

Young People at Church

The Senior Christian Endeavor met Sunday night, Sept. 28 and rendered a Missionary Program with Miss Mildred Massengale as leader. Although only 11 were present much interest was shown and the society met Tuesday night to prepare a special program that they intend to give Sunday evening, October 6.

Miss Mildred Ditto who is staying with her grand parents, Mr. and Mrs. Gus Ditto and attending school here spent the week end with her parents in Belmena.

Mrs. Jim Frances and Mrs. Roy Newton were Cameron visitors Saturday.

Those attending the party in the home of Mrs. Hubert Atkinson, Thursday evening were Misses Bertha Floyd Ada Lee Massengale, Mildred and

Mary Ethel Massengale, Mary White, Vera Mayes and Miss Mary Virginia Atkinson; Messrs. Elmer and Milton Floyd, Lee Roy Massengale, Valter, Noviel and Ralph White and Cecil Judkins.

Mrs. John Thweatt spent Sunday afternoon with her mother, Mrs. Tom Thweatt.

Misses Ruby, Marguerite and Bertha Baylor spent Sunday with Misses Evelyn and Velma Waits.

Mr. and Mrs. C. C. Baylor called on Mr. and Mrs. Emmons of Curry, Sunday.

Mr. and Mrs. L. S. Woodruff of Jewett, Texas, spent Saturday night with her parents, Mr. and Mrs. W. M. Waits of Maysfield.

Mrs. W. M. Waits and children, Mr. and Mrs. L. S. Woodruff and Misses Velma and Evelyn visited Mr. and Mrs. Light of Rosebud Sunday.

Mrs. R. B. Mayes visited Mrs. Nicholson Monday afternoon.

CHRISTIAN CHURCH

Sunday school at 9:45 A. M. Morning services at 11 o'clock and I am determined to know nothing among you, save Jesus Christ and Him crucified, will be the subject.

Christian Endeavor at 7 P. M. Evening services at 7:30 P. M., and the subject will be 'Wholesome Fear.' Prayer service Wednesday evening at 7:30 P. M.

Joel B. Hardigree, Pastor.

Tyler Telephony Course Offers Big Opportunities

Please read the letter reproduced below. It is from the Employment Manager of the Western Union Telegraph Company.

Tyler, Tex., Feb. 20, 1929. Tyler Commercial College, Tyler, Texas.

Gentlemen: The Western Union Telegraph Company is greatly in need now, possibly more so than ever before, of well trained Morse Telegraph Operators. Especially are we in need of well trained young men who possess executive ability.

Only neat appearing young people who have finished High School and

above can be used. We must carefully consider each applicant's personal appearance, personality and their ability to meet and deal intelligently with the public.

You should make every effort to enroll in your Telegraph and Western Union Department every young man possessing the above qualifications. There is a great opportunity now with our company for such young men. At all times, we are greatly in need of such employees.

We have carefully observed the work of the graduates of your Telegraph Department. We have in our employ now numbers of your graduates. As a whole, their work has been very satisfactory. Your Telegraph Department is in the hands of excellent management and the work is taught in a most thorough manner.

You will do us a favor to enroll in this department any young man especially who can measure up to the above requirements.

Very truly yours, H. M. Gresham, Mgr., Western Union Telegraph Co.

We offer a most thorough course that will prepare you for an excellent position. Every graduate can be placed promptly when the course has been completed. The average time to finish the course is only six months and the cost of the complete course is very reasonable.

If interested, send the coupon below for our catalogue, 'Achieving Success in Business,' and write for full particulars. There is no obligation on your part. Mail the coupon now.

CARD OF THANKS

In this sad experience for us we remember with grateful appreciation the many acts of kindness and words of sympathy spoken to us. The darkness that surrounds us in this our almost unbearable grief we feel the heartbeat of friends and they tell us the sun shines again, though we cannot see our way out of the loss we have sustained. In hours like this nothing brings us relief but we feel the comforting power of sympathetic friends and neighbors who helped us. We especially appreciate the flowers

and the words of sympathy and all acts of kindness of whatever nature that came to us during the sad hour and the death of our beloved daughter, sister and mother, Mrs. Oralee Wade.

"Do you mean to tell me you could not see me coming on a straight piece of road like this?" said the owner of the very small car after the collision. "Sorry, guv'nor," said the lorry-driver, "thought you were a fly on me windshield."

He, 'Do you care for dancing?'
She, 'No.'
He, 'Why not?'
She, 'It's merely hugging set to music.'
He, 'Well, what is there about that you don't like?'
She, 'The music.'

'For Sale — Peerless Brougham, owned and driven by lady with streamline body and lots of pep.'

A colonel in the U. S. Army Dental Corps had the following conversation with his five year old daughter at luncheon one day.

Nancy, 'Daddy, I have a lower tooth that's loose, when are you going to take me to the office and pull it?'
Daddy, 'Oh, some day when it gets real loose.'

Nancy, 'Well, Daddy, when I loose all my lowers and higher I'll be just like my grandma when she goes to bed at night.'

What Lubrication is to Machinery.. Firestone Gum-Dipping is to tires

AS THE film of oil prevents friction of metal parts, so does the film of rubber surrounding every fiber and strand of Firestone cord, protect it against heat and friction within the cord itself due to continual flexing.

The Firestone patented process of Gum-Dipping represents the greatest achievement in tire building. By

thus saturating and insulating the cord fiber with liquid rubber, thousands of additional miles of service have been built into Firestone Tires.

This means that you get most mileage for least money — with greatest safety, comfort and satisfaction — when you equip your car with Firestones.

Mr. and Mrs. A. B. Richards and family were in a car wreck Saturday afternoon but none were badly hurt.

Mr. and Mrs. Jake Richards and son and Dock Chestine were visiting Mr. and Mrs. A. B. Richards Sunday.

Mr. and Mrs. Lee Fuller and family were visiting in Cameron Sunday.

Mr. and Mrs. Sam Dobbs of Yarrington visited their parents, Mr. and Mrs. Rob Fuller.

Mr. and Mrs. Andy Richardson and family visited relatives in Maysfield Sunday afternoon.

Obie Richardson is spending the week at Maysfield with relatives.

Mr. and Mrs. Grady Allen and daughter, Mr. and Mrs. Allen, Mr. Hurry and daughter, Mrs. Hendrix and daughter spent the afternoon with Mr. and Mrs. A. B. Richards.

Earl Armstrong, Homer Fuller, Miss Gladys Hurry and Miss Opal Hendrix spent Sunday afternoon motoring around.

Mr. and Mrs. Dell Fuller and family spent Sunday evening with Mr. and Mrs. Rob Fuller.

Jack Richards and Miss Flossie Hurry made a business trip to Cameron Sunday morning.

Mr. and Mrs. Hubert McDonald is spending a few days in West Texas with relatives.

Hubert Richards and Dock Chestine motored to Yarrington Sunday afternoon.

METHODIST CHURCH

Rally Day

Next Sunday is Rally Day in all departments in the Methodist church. Sunday School teachers will meet their new classes and the classes will meet their new teachers. Everybody should be here and on time at 9:45.

The eleven o'clock service will also partake of the Rally Day spirit. The pastor will administer the Holy Communion, babes will be dedicated to the Lord, new members will be received and the Communion address will be short. Every member of the church and the Sunday School is asked to be present and partake of the Communion.

At the night service the theme is "Tuning in on the Infinite." Come and hear how radio illustrates religion. Good special music.

The Leagues will all meet at 6:30. Every League should be well attended.

ALVIN B. GIBSON

The body of Alvin B. Gibson, who died at Brownwood on September 26, was shipped to Milano, his home, and taken charge of by Green Brothers,

who arranged the funeral services. The funeral was held Friday afternoon, September 27 at five o'clock, with Rev. Wardnow of the Methodist church officiating. Interment was in the Milano Cemetery.

Pall bearers were Ross McCollum, Lilburn Anthis, Jewel Hooker, Frank Hooker, Oscar Standard and Hugh Stewart.

EPISCOPAL CHURCH

Sunday, October 6th

Morning service at 11 o'clock at which time Rev. John Sloan will preach.

Sunday School at 9:45 A. M.

The practice of radio announcers rehearsing their names and the slogans of their stations appears to be out of all proportion to the demand for this type of information.

We heard the other day of a superstitious man with twelve, who was greatly worried over the prospects of a thirteenth child. His good wife solved the problem, however, by presenting him with twins.

THE STATE OF TEXAS

To the sheriff or any Constable of Milam County—Greeting:

You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of this notice in the County of Milam, State of Texas, and you shall cause said notice to be printed at least once each week for the period of twenty days exclusive of the first day of publication before the return day hereof:

NOTICE

THE STATE OF TEXAS, To all persons interested in the estate of Clara Chappel. Notice is hereby given that George T. Graves, guardian of the estate of Clara Chappel, deceased has filed in the County Court of Milam County, his final account of the condition of the estate of said Clara Chappel, deceased which will be heard by the County Court of Milam County, Texas, at the next regular term thereof, to be begun and holden at the court house in Cam-

eron, on the 7th day of October, 1929. Now, therefore, this is to require all persons interested in the estate of Clara Chappel to appear and contest the same, if they see proper.

Herein fail not, but have you before said court, on the first day of the next term thereof, this writ, with

your return thereon, showing how you have executed the same.

Given under my hand and seal of office, in the City of Cameron the 4th day of September A. D., 1929.

Attest: Homer Nabours, Clerk County Court, Milam Co. 220-3tc By Meta T. McCown, Deputy

More Than Money

Any real success takes more money than brains.— It takes more than perseverance.

It takes the aid of a strong bank.

This strong bank is always at your service.

Citizens National Bank

4% ON SAVINGS

The New Essex

Makes and holds its friends not only because of its exceptional merit but because we put behind it a spirit of courtesy and a maintenance system that is almost as good as the car. The interest we take in the customer adds just that much to the desirability of buying here.

The Essex is the best of its kind and that has been proven. Those who have bought cars and tires and other merchandise here know that the service we render is the best also.

The New Essex Super Six is a wonder car. The factory deserves that credit. We cannot build Essex cars here but we have spent days and nights perfecting our service to match it. The Essex owner will testify about the spirit of our business.

Horstmann Brothers Tire Store

GAUSE

Mrs. L. E. Harwood and children and mother, Mrs. Porter, motored to Caldwell Thursday. Mrs. Porter remained in Caldwell to spend the winter months.

Mrs. L. J. Bowling of Gause is staying with her father-in-law, Mr. Bowling in Cameron while his daughter and son, Mr. and Mrs. Brice McCullen make a trip in the north.

A. R. J. Ealand and son, Frank, motored to San Antonio Saturday on business.

Tom Self, who is attending school at Hearne, and several friends spent Sunday in Gause with his parents, Mr. and Mrs. R. B. Self. The young ladies with Tom were his cousins, Miss Maurine Self and Miss Mooney, both of Hearne.

Mr. and Mrs. W. T. Maune of Sheppard visited in the home of Mr. and Mrs. G. W. Kilpatrick Sr., during the week end. Miss Sadie Mae Williams returned to Sheppard with them.

Miss Elsie Hauptfleisch of Gause, primary teacher in the Milano school, spent the week end at home with her parents and friends.

Miss Estelle Roberts of Rosebud spent the week end with Misses Elsie and Helen Hauptfleisch and Edrie and Ariel Wilson.

Teachers of Milam county assembled at the Yoe High school in Cameron Thursday and Friday for institute. Those from Gause attending were Mr. and Mrs. F. J. Cook, Mrs. G. R. Varner, Misses Roberta Holden, Florence Hillard, Mary Sue Walker, Anna Maria Barnes, Ima Harcastle, Elsie and Helen Hauptfleisch, Edrie and Ariel Wilson. Mrs. Robert Goode visited Institute Thursday.

Mrs. Maudine Clark of Houston is visiting her mother, Mrs. Lockhart of Gause.

Misses Edrie and Ariel Wilson and Elsie and Helen Hauptfleisch were the guests of Miss Estelle Roberts in Rosebud Thursday night.

Brown Ely and Blakely Bailey, students at Allen Academy in Bryan, spent the week end in Gause with their parents.

Mr. and Mrs. Allen Stovall of Gause are visiting their daughter in Dallas.

The Gause P. T. A. met Wednesday afternoon and reorganized. Mrs. Edmonds was elected president. Others elected were Mrs. L. S. Cunningham, Mrs. D. W. Key, Miss Roberta Holden and Mr. H. O. Lee. The P. T. A. cooperated and did excellent work the past year and we feel confident that they are going to do even better this year.

The Gause Epworth League presented a Missionary program at the Methodist church Sunday evening. The program included songs, addresses, a reading and a pageant entitled 'Today the World Calls.' League will meet at 6:45 next Sunday evening and

interesting talks on 'Sin' will be given. We invite you to come.

J. F. Williams left Monday for Houston where he was called to the bedside of his sister, Mrs. Hosey. We hope he will find Mrs. Hosey's condition better.

Miss Elouise Thompson of Gause, teacher of the Cook's Point school, spent the week end with her parents, Mr. and Mrs. I. B. Pitts. When she returned to her school Sunday afternoon a number of her friends accompanied her to Cook's Point.

Bro. Tidwell of Franklin and a friend attended the Methodist Sunday school Sunday then Bro. Tidwell delivered the message at the church hour.

Mrs. Joe Denson Is Hostess To Friends

To celebrate the birthdays of Mesdames Watt Skinner and Robert McElroy of Rogers, Mrs. Joe Denson entertained last Friday evening with a dinner party, at which time places were laid for the following: Mr. and Mrs. Skinner, Mr. and Mrs. McElroy, Mr. and Mrs. Wilson Gunn and Mr. and Mrs. Denson.

The table was centered with a huge crystal bowl filled with pink verbenas and resting on a reflector. Novelty Halloween favors were provided for the guests, who were served a three course chicken dinner.

Entre Nous Club Is Organized In Cameron

The Entre Nous Club was organized Monday evening when Miss Jennie Shirley and Miss Enid Reaks were hostesses to a group of their friends at the home of the former.

One game of bridge was played, after which the hostesses served ice cream and cake and Delaware Punch. A business meeting followed and Mrs. Durward Hause was elected president of the new organization and Miss Iva Wilson secretary and treasurer. It was decided that the club should meet on the second and fourth Tuesday evenings of each month.

The members are Misses Jennie Shirley, Enid Reaks, Ima and Iva Wilson, Catherine Lovick, Goldye and Hilda Burke, Mesdames Durward Hause and Millicent Bradford.

Mrs. E. A. Wallace Is Hostess To History Club Tuesday

Members of the Cameron History Club held their initial meeting of the season on Tuesday afternoon, Sept. 24, at the home of Mrs. E. A. Wallace. The new officers, Mrs. Graham Gillis, president and Mrs. Joe Denson, secretary, acted in their new capacities. Roll call was answered with accounts of summer reminiscences. The club members were happy to welcome Mrs. Paul Webb, a former member who has been away for the past year.

The hostess, assisted by Mrs. Dan Collins, served a salad plate. Favors were handpainted ensembles of oak leaves and acorns, the work of the hostess.

Birthday Jubilee For Baptist Women

The ladies of the Baptist church enjoyed their customary fifth Monday Birthday Jubilee at the Sunday school annex last Monday afternoon. Those who have birthdays in October, November and December were hostesses.

Miss Winnie Henderson directed the guests in a number of spirited games, following with a salad plate and iced tea were served. A free-will offering

was taken, as is the usual custom at these meetings.

'I just thought of a good joke.' 'Aw, get your mind off yourself.'

PROBATE NOTICE OF FILING FINAL ACCOUNT

THE STATE OF TEXAS, To the Sheriff or any Constable of Milam County—Greeting:

You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of this notice in the County of Milam, State of Texas, and you shall cause said notice to be printed at least once each week for the period of twenty days exclusive of the first day of publication before the return day hereof:

NOTICE THE STATE OF TEXAS,

To all persons interested in the Estate of Billie Daniels, deceased: Notice is hereby given that J. H. Smilie, administrator of said estate, has filed in the County Court of Milam County his final account of the condition of the estate of said Billie Daniels, deceased, which will be heard by the County Court of Milam County, Texas, at the next regular term thereof, to be begun and holden at the court house in Cameron, on the 7th day of

October, 1929, same being the first Monday in October, 1929.

Now, therefore, this is to require all persons interested in said estate to appear and contest the same, if they see proper.

Herein fail not, but have you before said court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Given under my hand and seal of office, in the city of Cameron, the 11th day of September, A. D. 1929.

Attest: Homer Nabours, Clerk, County Court, Milam County.

Thousands of prescriptions for this remarkable formula were filled by druggists last year, over 20,000 physicians, dentists and welfare nurses recommend and endorse A-Vol as a harmless, safe, rapid relief for pain, depression, fever, cold, flu.

Contains No Aspirin or Other Heart Depressants.

Headaches! Colds! Neuralgia! Dental Pain!

Texas and Texans

By Will H. Mayes

Texas Business Grows

Although some Texas railroads may not be doing so well as before the introduction of busses and trucks there is no occasion to sympathize with the railroad business as a whole. Statistics show that they are receiving about 23 per cent greater operating income in Texas this year than last year, which is a good showing for the business.

Texans are glad to see the railroads prosper, for it indicates corresponding prosperity for the people of the state. Transportation is a pretty fair index to the conditions of a country.

Another Line Proposed

The proposal to build a line of railroad from Roswell, New Mexico in a southeastern direction through Texas is attracting much attention in the territory under consideration. Uvalde and Sabinal are among the towns that are already offering terminal facilities for the Texas part of the road and doubtless there will be others. The development of West Texas justifies the railroads in extending their lines into that section.

Tourist Camp Industry

The secretary of the Texas Camp Owners' Association says that the 'tourist camp industry is the fastest growing enterprise in the country.' That may or may not be correct, but certainly there has been great development in the industry in the last year or two. Not only are many camps being constructed, but they are being provided with better facilities for entertaining tourists. Some of them are as good as the hotels in the same places and some are said to be even better.

Among the places that have recently completed excellently built and fully equipped camps are Midland, Mineral Wells, Waco, Lubbock, Kent, Abilene, Colorado, Big Springs and Pecos.

Texas Road Building

Texas led the country in road building last year and will lead it again this year. The Texas mileage of improved road construction for 1928 was 2365. Kansas was second with 1783 miles and Arkansas third with 1345 miles.

While Texas is not building permanent highways fast enough to suit some of its people, good roads are being constructed about as fast as they can be built economically. Texas is such a huge state and the road building has to be scattered over such a large area that the many people think but little is being done. However about \$40,000,000 is being spent annually for road building.

Point Isabel Harbor

The United States Army Engineers having given approval to the Point Isabel port project, the \$500,000 bonds vote for the Port Isabel-San Benito Navigation District will be issued to enable the district to meet the Government requirements. The engineers' report favors a turning basin near Point Isabel and recommends an appropriation of \$1,000,000 for dredging and constructing the channel. The Brownsville Navigation District will be given the right to connect its \$2,000,000 project with this channel.

Cactus-Destroying Insects

Australia is trying to find an insect that will help in destroying the vast growth of cactus in parts of that country. The government of the country is spending around \$35,000 a year around Uvalde, Texas, where it has a station experimenting with the 'cactablaustus' insect and shipping it to Australia. Some of the insects are proving effective, but difficulty has been found in getting them acclimated. Clearing ground of cactus growth is a problem in that part of Texas that is its natural habitat.

Milk Plant Project

The Southwest Dairy Products Company has bought 55 acres of land near Sulphur Springs for a \$75,000 milk plant. Five acres of the land will be used for the plant buildings and the remainder of the land for a dairy demonstration farm. Butter, ice cream and condensed milk will be made and farmers will be shown how to obtain the best results from their dairy herds. The demonstration farm feature is rather a new idea, but one that should be generally adopted.

Georgetown Wants Cheese Plant

Round Rock has awakened all the surrounding towns to the value of milk products plants and dairy farming. Williamson county has as rich lands as can be found anywhere, and they are proving too valuable for single-crop cotton production. Round Rock, with its cheese factory, proved this so conclusively that Taylor, close by, has contracted for a big milk plant, and now Georgetown and Austin are hard at work to get factories for manufacturing milk products.

Jumbo Pecan Tree

Although it sounds like a Munchausen tale, San Saba citizens will vouch for the fact that the Jumbo Hollis pecan tree in San Saba county has a record of 1035 pounds of pecans at one bearing. It is estimated that 5,000,000 buds of choice varieties of pecan buds have been shipped from the county to other sections for pecan propagation. More than 100,000 buds have been shipped to California this season.

cord of 1035 pounds of pecans at one bearing. It is estimated that 5,000,000 buds of choice varieties of pecan buds have been shipped from the county to other sections for pecan propagation. More than 100,000 buds have been shipped to California this season.

San Marcos Pleasure Grounds

The Southwest Texas State Teachers' College at San Marcos has leased 15 acres of land adjoining its recreational playgrounds where tennis and volley ball courts will be placed. The school already has an attractive river bathing pools as can be found in the South. The college is but keeping pace with the rest of San Marcos in the effort to create an attractive atmosphere for its students.

Fall Flower Show

There are differences of opinion as to whether the spring flowers or fall flowers of Texas are prettier. If the decision is in favor of the spring flowers, it is probably because we have been largely without flowers in the winter months and we welcome their return. The spring flower shows were so successful that in many places fall shows are being held. Many of the community and county fairs are offering prizes for the best exhibitions of flowers and the floral exhibits are doing much to spread an increasing love for the beautiful.

Handling Them Lemons

Raymondville appears to have gotten the lead in shipments of citrus fruits for the season from the Rio Grande Valley, having sent 100 bushels of lemons to Houston last week. Reports are that the fruits this season are 'better than ever' in the Valley and that the grapefruit and oranges are the 'sweetest and juiciest' that grow.

Something For Cobb

Ever since W. M. Cobb retired from the newspaper business the people of Milam county have been trying to find something for him to do, and now the problem has been solved by the Cameron Chamber of Commerce making him manager of the fall poultry show. He has already started an active publicity campaign and it is safe to say the people will learn more about chickens than ever suspected needed to be made known.

Llano's Celebrations

Llano had two worth-while celebrations in one week, the opening of the new hotel, for which the town has been eager so long, and the 42nd birthday of W. B. Collins & Son's Llano News. Perhaps they might have overlooked the newspaper birthday if the publishers hadn't issued that splendid 36 page edition, but that made them sit up and take notice of the fact that a good newspaper like the News is even a better asset for a town than a new hotel. A good newspaper grows better with age; a hotel seldom does.

Comfort Demanded For Riding In Cars Says Hudson Factory

Comfort producing features of lower priced cars have lead the way in crystallizing public opinion of automobile riding qualities. All cars have shown an enormous improvement from a riding standpoint in response to this public demand. Motorists are no longer content to ride around behind so many horsepower.

Cars are lower and springs are softer, but these improvements would not be possible but for improved road conditions over the country. It cannot be denied that on certain types of roads, care has to be taken over the rough spots or the springs will bottom more than they should. But, according to the chassis engineers, why design a car for rough roads when more than 90 per cent of the travel is on smooth roads.

This is very true. It is the direct reverse of the spring suspension situation compared to what it was a few years ago. At that time so much of the travel was over roads that were bad, that if the car were not primarily designed for rough roads it would be generally unsatisfactory. The result was that the fine riding qualities that we have today over the average road did not exist.

Today there are practically no towns in the United States of over 5000 population that are not located on the hard road systems. It is easy to see why the car should be designed for smooth roads. In other words, a greater amount of spring flexibility can be allowed under minor road shocks. When the springs are backed up with good shock absorbing devices that prevent excess jar or recoil under bad conditions, an almost perfect combination exists.

For instance, features not ordinarily found in medium priced cars are standard practice in Essex the Challenger. Starting with the power plant we find the famous super-six principle employed. This involves the balancing, within strict limits, of each working part, thus eliminating at the source, vibrations inherent in any internal combustion engine.

Body construction of a type usually found only in the higher priced cars is used. Seats and back cushions are

extra wide and deep. The springs used in these seats and cushions embody the latest engineering design and assure riding comfort. An exhaustive research was conducted by Hudson engineers to determine com-

fortable seat posture and this research resulted in the adoption of adjustable seats that provide an easy ride for the passenger though he be tall or short.

In the chassis, played springs of

extra length and strength make for easy riding over even the roughest roads, and this riding ease is further controlled and enhanced by the use of hydraulic shock absorbers of an efficient type.

NOTICE FARMERS!

We have recently installed a six cylinder HANCOCK BOLLY MACHINE which will give you MIDDLING COTTON from good bright Snapped Cotton. It will also raise the grade of Picked Cotton from one to two grades.

Be sure to see our display in First National Bank and the Cameron State Bank with actual sample from a bolly bale of cotton.

Bring us your BOLLIES. We will buy them in the seed or gun them for you. We pay the highest market prices for each kind.

SAVE MONEY

Ownership of a Pontiac Big Six is an experience in economy. True, most people choose Pontiac, not because it is so inexpensive, but because of the many big car advantages which it provides. But it is a fact that with a Pontiac you actually save money. You save—

When You Buy . . . When You Drive . . . When You Trade It In

You save when you buy a Pontiac because it is the lowest-priced car ever produced which offers so many advantages. You save when you drive because, according to a large corporation which employed 996 cars of 33 different makes during 1928, Pontiac costs one cent less per mile to operate than any other low-priced six. You save when you trade it in because the demand for used Pontiacs has always exceeded the available supply. Come in to see and drive the car which offers all these advantages.

PONTIAC BIG SIX

PRODUCT OF GENERAL MOTORS

Pontiac Big Six, \$745 to \$895. f. o. b. Pontiac, Mich., plus delivery charges. Bumpers, spring covers and lower shock absorbers regular equipment at slight extra cost. General Motors Time Payment Plan available at minimum rate.
